Front of the Class Mazes and Dot-to-Dots for kindergarten to grade 1 gives kids a brain boost as they connect numbers in dot-to-dots, reveal hidden pictures, and explore other engaging activities. These puzzles encourage concentration and strengthen alphabet, counting, and critical thinking skills.

Filled with hours of game-based activities, Mazes and Dot-to-Dots engages children by stimulating the learning process. Each activity in this 320-page book challenges learners to focus on the task at hand while building the math and English skills they need for academic success. These games will flex children's mental muscles as they explore a variety of dot-to-dot puzzles, hidden picture games, and mazes.

The Front of the Class activity book series combines education and entertainment with colorful word searches, word games, crossword puzzles, mazes, dot-to-dots, and number games. These books are full of challenging puzzles that help children master essential critical thinking skills. Portable, age-appropriate, and entertaining, Front of the Class activity books provide a fun and convenient learning format that children can use at home or on the go.
