Navy Brides: Navy Wife\Navy Blues Debbie Macomber

Navy Wife

Lindy Kyle flees to Seattle to weather a broken heart, but is unprepared for a roommate like Rush Callaghan. Strong, sensitive and sexy, the temporarily dry-docked naval officer is everything she's ever dreamed of in a man...and in a husband. Though they are swept away on a tide of passion, Rush holds duty to his country above all else. When he has to return to service, does Lindy have the courage to be his wife?

Navy Blues

Despite her ex-husband's stubbornness, Carol knows Lieutenant Commander Steve Kyle would be the perfect man to father the child she so desperately wants. She also realizes that the strong, honorable man will never allow his child to be raised without him. So Carol needs to seduce Steve into her bed one last time... Passion together was never the problem—it was the absences that tore them apart. Have they grown enough to risk trying again, especially when Carol's plan seems about to work?

Jennie says

This book contains two short stories with the same characters in each. Both stories had a good idea, but the couples broke up and got back together many times in each story. The reader knows that they will eventually get together and they do, so at least 100 pages could have been deleted in my opinion.

Chris says

Navy Brides contains two books Navy White and Navy Blue. I listened to the audio book. Navy White is the story of Lindsey Kyle getting over the guy who dumped her and comes to stay in WA while here brother Steve and his apartment mate are both out on maneuvers. Unexpectedly Steve's buddy Rush comes home because his ship returned early. Rush and Lindsey get off to a rocky start at the surprise of someone else in the apartment. However they soon fall in love. Navy Blue is the story of Steve Kyle and his ex wife Carol. Steve divorced her because he thought her unfaithful, which she had not been. She misses Kyle, but longs to have a baby and feels her biological time clock is ticking. She seduces her ex at Christmas and gets pregnant. The story involves the rocky road they travel as they learn to communicate better and of course fall back in love and eventually re-marry. It has all the soft porn of a romance novel. Both books describe the life of Navy wives and the ups and downs of their relationships.

Evelyn says

Reprint compilation of two stories from early 2000s so a little dated technology-wise but still cute.

Elizabeth McCormick says

Both books in this double feature were touching and a must read. I felt very connected to these characters. I adored Rush and was very frustrated with Steve. Bith men are worth reading about - especially when their tough ladies are in the mix!

Sandra Randall says

Thought it was good. Letting folks know it's not easy being married to a military man or woman.

Angela Lee says

Couldn't get through this book. Much fluffier than the light summer read I was looking for.

Monique Pearson says

I loved both books, but the second was my favorite. I'm glad Carol made him come to his senses on his own since he was so stubborn. However Rush was probably my favorite character of all.

Pam says

Navy Brides is a two-volume book by Debbie Macomber. The two books are Navy Wife and Navy Blues. Both books are set in Seattle and are about siblings Lindy and Steve Kyle. Each of the siblings is trying to find their one true love but their situations are never easy. With Steve Kyle being on a sub for three months at a time, and his roommate Russ being on a ship for six months at a time, romance seems out of the question. That is, unless the two women involved are truly navy wife material. The books are both really good and easy to read.
