Michele bookloverforever says

would read one a night to my son. every night it was always "just one more mommy"!

Theresa says

Richard Scarry's Bedtime Stories
Scarry, Richard
a cute story to teach reading to children

Mel says

Lovely Richard Scarry illustrations but the stories didn't seem all that suited to bedtime.

Martha says

Fun to read to my granddaughter.

laurenpie says

I didn't find the stories appealing at all

This is a short collection of bedtime stories for preschoolers. Most of the stories were simply boring, but there were two that I downright disliked.

Super Groonda says

great

Greta says

I loved Richard Scarry books when I was little, especially the pictures, so I love sharing them with my kids.

Cute stories- a little off-the-wall, but really fun.

Srinidhi.R Srinidhi.R says

stories were okay..

Orinthia Lee says

Kekeke... lucu >w< kucing....

I love every stories in this book and really love the illustrations <3
In the last story, I can't help to laugh and feeling the guilty pleasure laughing at someone's bad luck....

Britteny Gilge says

The illustrations in this book were very well done and helped tell the story as it progressed. In this book there were actually multiple stories that were being told. I found most of them just okay stories, but the last story I really enjoyed. It added humor to an unfortunate day. It takes the reader through all of Mr. Raccoon's unfortunate encounters- car breaking down, pants ripping, and to top it off just when he thought nothing else could go wrong during the day his bed breaks. This would be a good story to share with your child before bed if he has had a rough day, he can find humor in Mr. Raccoon's rough day and you can also explain that just because one day didn't go as you would have liked doesn't mean that the next day will be bad too. Overall this book was just okay, but could create discussions to have with your child before bed.

Catarina says

I saw the Richard Scarry's cartoons when I was little and I adored them. It was so funny to find the books and have a chance to read them. I found out I still enjoy these stories and that made me happy.

Laura Ender says

Richard Scarry's illustrations are adorable, but I think they work best with classics (eg The Gingerbread Man) or his more informational books (eg What Do People Do All Day?). The stories in this book are sometimes cute and sometimes seem to strain for some sort of point or ending.

Paul says

A very good book to read with kids, especially as a bedtime story.

JoAnn says

City Library

Luisa Knight says

Fun stories - a few of these I recognized from another book.

Ages: 4 - 8
