## **Someone You Know: Parts One & Two** Brian McGilloway

The first and second installments in Brian McGilloway's stunning three-part sequel to *Little Girl Lost*!

*Someone You Know* by Brian McGilloway can be read either in three parts or as a full-length book (available May 20, 2014). Can't wait that long? Start reading Parts One & Two of Three now (chapters 1 – 49). It is not the whole book.

Love what you've read? To get the entire story, you can buy Part Three (chapters 50 – 64) or the full-length book on May 20, 2014.

An unforgettable and moving thriller for fans of Tana French and Elizabeth George, from the author of the *New York Times* bestseller *Little Girl Lost*.

Just before Christmas, the body of a sixteen-year-old girl is found along the train tracks on the outskirts of a small town. As Detective Lucy Black investigates the teenager's tragic last hours in search of clues to her death, she realizes that some of the victim's friends may have been her most dangerous enemies—and that whoever killed her is ready to kill again. Haunted by the memory of a case gone wrong, and taunted by a killer on the loose, Lucy finds herself pitted against a lethal opponent hiding in plain sight.

From an author described by John Connolly as "a major force" in suspense literature, *Someone You Know* is one of the most atmospheric, powerful thrillers you'll read all year.

## **From Reader Review Someone You Know: Parts One & Two for online ebook**

### **Sandra says**

I'm not sure what the parts referred to in the above summary are; possibly because I bought the copy I read in the US. And several times I found myself checking the date of its publication, so much did the writing appear to fall below the standard set in other books by McGilloway I have read. Lucy's character seemed to have been assembled from several clichés and none were that compelling.

---

### **Nicole says**

Brilliant! I couldn't put this book down. I just kept turning the pages needing to know who done it! Really well written and I loved the characters. Action from page one and it went on throughout the book with twist after turn. Be prepared to sit up all night trying to finish it!

---

### **Catherine Matsubu says**

#### **So far so good**

Waiting for part 3. An interesting way to present the book. Although it does prevent a rather complicated story to be overwhelming.

---

### **Danielle says**

I really enjoy this writer's storytelling. He keeps the characters real and the plot moving along at a good pace. The only thing I don't care for. Is that arson plays a significant role in all three of the books I've read thus far. maybe, however, this is a colloquialism for Irish tales.

---

### **Sandy says**

3.5 stars; read version that is a complete novel.

---

### **Julie says**

My review for the book as whole is posted in the third installment. I was provided an ARC of the complete version by the publisher and Edelweiss for review purposes.

---

**Holly says**

I really enjoyed reading this story as much as the first Lucy Black story. It is a good little mystery that keeps you interested. It is a hard book to put down.

---

**Diana says**

Excellent writing & I really felt the gloominess of Northern Ireland. Look forward to book #3.

---

**Kristi says**

Good light read. Flowed nicely..Nothing too extraordinary but a decent story.

---

**Marylyn says**

Really enjoy this author!,,
