# The Art of Fullmetal Alchemist

*Hiromu Arakawa (Illustrator) , Akira Watanabe (Translator)*

**The Art of Fullmetal Alchemist** Hiromu Arakawa (Illustrator) , Akira Watanabe (Translator)

Translated faithfully from the Japanese edition, this coffee table book contains all the *Fullmetal Alchemist* color artwork by manga artist Hiromu Arakawa from 2001 to 2003. *The Art of Fullmetal Alchemist* contains over 90 pages of gorgeous painted illustrations, including all the title pages as printed in color in the Japanese magazine Shonen Gangan; Japanese tankobon (graphic novel) and promotional artwork, with source listings; portraits of the main characters; and character designs from the PS2 game *Fullmetal Alchemist and the Broken Angel*. Includes a special two-page message from Hiromu Arakawa.

## From Reader Review The Art of Fullmetal Alchemist for online ebook

### Scott Roberts says

The book cover looks awesome.

---

### Ichigo says

Jealous of her mad art skillz

---

### Parka says

(Picture source: parkablogs.com)

This VIZ Media version is a simple hard covered book that reads from right to left, just like how you would read a manga. It features original illustrations from Hiromu Arakawa.

This art pieces are from the manga series instead of the TV series. The collection starts from 2001 to 2003. At the end of the book are character designs for the PS2 game Hagane no Renkinjutshi: Tobenai Tenshi (Fullmetal Alchemist and the Broken Angel).

There are lots of full page illustrations, most of which look like chapter splash pages except they are coloured in traditional media. There's no description for the characters, or for that fact, description for anything. However, there are some short captions at the bottom of each page as the artist reflects on the panel. This book is all about art.

This is the manga art book. Fans of the anime might want to get the anime art book instead.

By the way, I've never read the manga. But the anime is one of my all time favourite.

This review was first published on parkablogs.com. There are more pictures and videos on my blog.

### Fugo Feedback says

Lendo lendo, pero lejos de gustarme tanto como un tomo promedio de la serie. Las ilustraciones elegidas tampoco me llegaron tanto, ni los comentarios de Arakawa me parecieron tan simpáticos esta vez. El tomo 2, sin embargo, me pareció mucho mejor.

---

**Raegan Jiehui says**

the best manga ever

---

**Indah Threez Lestari says**

Amazing artwork!!!

I love the pictures of Ed & Al, but I love the pictures of my favorite character Colonel Roy Mustang better.

---

**Krys says**

For the die-hard fans only, or aspiring Mang-ka only. No story, just the art . . . it's an Art Book, silly!

---

**Katya Klements says**

I must say i absolutely love this book. It has character bios( and is based on the 2003 anime version). It gives you a lot of detail about the characters, but doesn't exactly give the ending away. I think it's very good, and am planning on hanging up the poster it gives you in my room soon.I must say there's one detail of this that really freaked me out though. In Envy's profile it says he's a girl i literally couldn't stop laughing and was like "don't they know the characters a boy?" that kind of bothered me because i love him and wanted him to have a good profile. Other then that i thought it was great and any FMA fan should have this as a keepsake.

---

**Anurag Kushwaha says**

A very good Fiction manga, has a chance to grasp your attention and make you read it again. I liked it a lot though.
