The Beginner's Guide to Intercessory Prayer Dutch Sheets

What is intercessory prayer? How can I become an intercessor? When you don't know where to begin, start with the basics! In The Beginner's Guide to Intercessory Prayer, readers will learn to find their motivation for prayer in the power of love, by first and foremost experiencing a lasting relationship with God as Father and friend. As Dutch Sheets lays the foundation for one's motivation to pray, he teaches that the simplicity and purity of devotion – our relationship with Christ – doesn't need to be complex. Find the complexity of prayer reduced through "Did You Understand" questions at the end of each chapter to test your understanding. Upon completion you will have learned the 13 "P's" of intercession, ranging from "Priority" to "Pleasure" and from "Plan" to "Pain." Make intercessory prayer a part of your life by learning to pray effectively, by learning to pray alone and in groups and by persisting in prayer.

Good examples but it needed more bible and less personal anecdotes not that they are terrible but none of us saw those things

Awesome book I loved it

Robert Eby says

Spectacular introduction to intercession

I like the simple yet effective writing and instruction. I enjoyed the prayers that are given, I would recommend this book, as to start off with. It is an appetizer to a great service to God and humanity. Now to continue with his next book. Good writing, easy to understand, clearly written.

Angela Ross Williams says

Powerful, moving and hitting the target. Cleaned the air and slate on being in the presence of God and laboring with Jesus. I started reading in 2018 and went under a physical attack by the enemy, but God. It was only the prayers of the righteous, bringing me through and this book waiting on my bed. Thank you Lord and Minister Sheets.

I like to read books of prayer and books about prayer. This book is a basic manual focussed on helping you to understand and practice intercessory prayer.

This is not one of those heavy theological documents detailing deep theological underpinnings and facets of prayer, this is a practical demonstration of how to pray for others, what to pray for and why.

The author provides examples of prayer and presents stories of answered prayer. He talks about praying for people, communities, cities, and countries.

From the beginning of the book the author begins to build up a picture of what intercession is, how it looks in practice and what the best way to intercede is. He discusses why intercession is necessary and why you should be involved in it.

You don't have to be a Christian to pray for your friends, your family, and your community.

Intercession brings you closer to God and to God's mission in our lives.

I enjoyed this book. I had it for more than a year before I read it but once I started I couldn't put it down.

There is so much good information in this book, that I keep going back over what I have already read, just to make sure that I am soaking it up. Could be awhile.

This is one of my top 10 favorite books on prayer ever. I would recommend it to everybody!

A must - read for all who seek a richer prayer life.

An intense spiritual journey resides in these pages. I feel that an intercessor is a spiritually gifted soul. This book is a wonderful guide to those of us who are spiritual novices when it comes to a prayer life.
