One of best book.Inspired by Ashfaq Ahmed's PTV Forum 'Zavia', in this book Ashfaq Ahmed, who wrote thought-provoking plays on social issues and was a great social reformer, using his vast knowledge of science, spirituality & different religions, has dwelt upon topics such as 'Mayoosi (depression)', 'Insaan Ko Sharminda Na Kiya Jai', 'Dosti Aur Tash Kay Game', 'We don't live in the present but in the future and in the past' & many others.

There are very few people who can write exactly what they want, what they think. Sir Ashfaq Ahmed did more than it. Writing each and every minor detail of his experience of life in a truthful and heart touching way.

This is book from the my favourite writer ASHAFAQ AHMED(LATE)

this book completley comprises of srituality lessons of Ashfaq ahmed which r delviered by him on a TV channel and it is now in a book form although i saw his programes too but in reality the book is too much interesting to read special people like me who love sprituality one of his lesson i must mention where he wrote

" we were in london and we r living there for sutdy we lived there in a house of a women who was divoreced

and aand living alone we gave her money at the end of the month we called her "botion wali aunti(means meat aunt) because when she cook food for us she take out most of the meat for herself and we hav to remain on the other stuff after many years i saw that lady in LAHORE when i was sitting in a street and astonished to see her in a bad situation....

from that paragraph u can experience that this book is totaly ..written by the ASHAFAQ AHMED live expereiences
