Fiorina: New American Democracy Th_7 Morris P. Fiorina , Paul E. Peterson , Bertram Johnson , William G. Mayer

Updated in a new 7th edition, *The New American Democracy* offers a stimulating, analytical approach to American government and a unique perspective on contemporary politics with an emphasis on elections and their importance in the American political system. The authors -- among the most well-known and well-respected scholars working in political science today -- propose in their text that politicians today are perpetually engaged in the election process--a "permanent campaign"--which has profoundly affected how our government functions today.
