Flunk Punk Rumble, Vol. 1

Miki Yoshikawa

Flunk Punk Rumble, Vol. 1 Miki Yoshikawa

Daichi Shinagawa was just a Yankee (Japanese term for delinquent) who wanted nothing to do with his high school life. Hana Adachi, the dedicated class representative, however would not allow it and constantly bothers him to be involved in school life. Shinagawa is first confused on why she keeps pestering him until he discovers her secret. While she may look like a typical class representative stereotype, Adachi is actually not very smart and lacks common sense, and Shinagawa eventually learns that Adachi is a former delinquent. Regretting being a yankee during her middle school years, Adachi decides to change her ways to achieve her dream of becoming the best class representative. She decides to help Shinagawa so he will not continue to make the same mistake that she did. Thus begins the adventures of these two unlikely friends and their classmates at Mon Shiro High School.

sohrella says

My kind my manga, my kind of humour lel

Elizabeth S.E says

Estado: todos los tomos leídos.

Seré justa con este manga, al principio me encantaba, me reía por todo, los personajes simpáticos y graciosísimos, y lo leí en un parpadeo, lo que significa que estaba enganchada. Pero alrededor de los últimos 4 tomos senti que la historia perdía calidad y estaba hecha a la carrera, lo cual probablemente fue así por ese final tan abrupto que tuvo, donde todavía quedaban muchas preguntas por responder (y parejas que definir) y prácticamente se llegó al principio otra vez. Sin embargo como el manga me entretuvo en su mayoría, si lo recomiendo, sobre todo si se quiere reír un rato.

Cassie Molina says

I really dig the art style ebut honestly that girl is too much of an airhead.

Anusha Narasimhan says

[but then turns out to be a former delinquent herself. It was really great to read a female character who can take down dozens of gangsters by herself. (hide spoiler)]

Jenny says

[Ch. 1-5:]

Very, very enjoyable manga. I really like how the Megane-chan isn't a damsel-in-distress and is capable of taking care of herself. ^.^

I wonder what her past is like though? She must've been a freaky delinquent if everyone always run away when they hear her name.

Windy Luo says

This book is very interesting. In the beginning, it looks like those typical school life mangas, but it is so

much more. The characters in this manga have such different personalities and each of their past is revealed as you read more. However, Adachi Hana is the only character where you don't know her past. There are snippets of her past, but those connect with other characters in the manga as well. It doesn't just talk about her, which has happened to most of the other characters. This doesn't mean that this manga is bad and has holes because it has a amazing story plot and the reader can really connect with the characters in the manga since there are people that go through the exact same thing. This manga is definitely recommended because it truly is amazing.

E.A. says

I wasn't sure about this but once I started I couldn't stop.

It's fresh, funny, and laugh out loud funny. I love how it has all the normal school manga clichés but at the same time it spins it into a total mess of crazy funny that I don't even know what happened.

I'm officially addicted.

DoctorFeddy says

mi è piaciuto molto la serie, demenziale ma non troppo, che ti strappa tante risate ma ti fa anche riflettere. nel complesso i personaggi sono uno più caratterizzato dell'altro.

Kurtis Burkhardt says

Super awesome cute hilarious manga, LOVE IT!!!!

Soobie's scared says

E pensare che Yamada-kun e le 7 streghe, Vol. 01 mi era piaciuto così tanto...

Era parecchio che avevo questo volumetto in casa e mi son decisa a leggerlo solo perché avevo trovato l'intera serie di seconda mano e volevo vedere se valeva la pena di comprarla in blocco.

La risposta è: NO!

Il tratto mi sembra ancora un po' acerbo, rispetto a *Yamada-kun*. Certo, per fortuna non ci sono troppi primi piani di seni puntuti e mutandine. Ma è un tratto un po' più sporco rispetto a quello cui sono abituata.

La serie è lunga 23 volumi. Se già il primo volume non mi ha conquistato direi che le possibilità di miglioramento sono scarse. Anche perché, con una serie così lunga, di sicura la qualità diminuirà ancora.

La storia è un po' stupidotta, per i miei gusti. Lei è la rappresentante di classe ma è una capra a scuola.

Sembra sia stata (view spoiler) anche lei e che adesso voglia comportarsi bene. E dice di essere capace di parlare solo con i teppisti, così entra in scena Shinagawa, teppista e capra quanto lei.

Sembra che lei voglia aiutarlo ma a volte e lui che deve aiutare lei e via così.

Non è il mio genere, sorry.

Hasnain Bahleem says

OH EM GIZZEL! < /b>

This is most funniest manga i have ever read!

Miki Yoshikawa ur a genius, every volume always cracked me up!

Flunk punk rubble also called yankee kun to meagne chan is the story of an amazing gang leader z(i swear she is if u have read the whole series till she stopped posting u will knw) hana adachi who has a sudden epiphany that she wanted to escape this boring gang life to an amazing high school one and her dream to become the class president but she was new she didn't now how to reach her goal and wanted someone to help her out!

So she kinda got helped from this delinquent diachi ! He is such an asshole i swear,

She found daichi usually who was slacking off in his bathroom stall jerking off or taking a dump or just sleeping he wanted to be lazy and wanted his high school life to go as a breeze but when he met hana all kinds of shit happened!

Hana is basically my most favorite character of all!

She is so funny it seriously hurts, i caught my brother staring at me, when i was laughing, my face slapped across the computer screen and I was acting like a complete wacko and he called mom! The episode was so crazy! I can't explain it further!

A amazing enjoyable manga! Showing how fun school life can be!

*** two thumbs up***

P. s i'm very sad that miki did'nt continue it! * major spoiler* hana and daichi relationship was getting really romantic. Oh well. :(

Ottavia Allgood says

Tenía pendiente terminar de leerme el manga completo de Yankee-kun to Megane-chan y por fin lo conseguí hacerlo. Personalmente, me ha encantado.

El manga es irreverente de principio a fin, con lenguaje callejero, peleas... Un grupo de macarras, yankees, metidos en un instituto y que tratan de cambiar y convertirse en "personas normales". ¿Qué es ser normal? Esa es la clave del manga, mientras utiliza la comedia y a los personajes como denuncia. Hay historias para todo, pero, sobre todo, las risas garantizadas. El acoso escolar, el Hikikomori, ser social o asocial, presión social o familiar, el drama de las notas, la presión excesiva que se somete a los estudiantes para que entren en las universidades de la élite, el éxito el fracaso... Son temas candentes en el Japón actual y que este manga lo trata de una forma amena, divertida, mientras critica de forma velada ciertas actitudes del férreo sistema

educativo japonés y a la propia sociedad japonesa. Es un manga que va de menos a más hasta un abrupto final que, pese a que a muchas personas le ha decepcionado, a mí me ha parecido lógico. Y eso es lo que puedo decir sin contarte el final. Prefiero quedarme con el mensaje del manga, que es lo que importa de verdad, y con unos personajes maravillosos y espectaculares en cuanto a diseño y evolución.

Actual Rating: 3.5 stars

Doremili says

Es tan divertidooo!!! jajajaja. Esta chava esta loca

Hikaoru says

It confuses me because it feels like it jumped to the middle of the story without any introduction. It was still cute, nevertheless.
