Amazing...the ending blew my mind because I didn't see that coming. I can't wait for to see how Juicy deals with the loss of her friend. I want Nooni to wake the hell up and fight back. Especially now that her little sister needs her most.

Trickery and treachery are the practices of fools that have not the wits enough to be honest” ~Benjamin Franklin

This was an awesome book. Noire didn't hold back on this. I just wish Trey and Juicy would gone and get it on and quit playing. Juice is ready to get her groove back!! I sure hope that Lil Lee is dead. I can't wait to see what happens to Flex. He really needs to get his. What he let happen to Maleek was not called for. Didn't even have the guts to give the child a proper burial. Would someone please burn the G-Spot down in the next book. It needs to be with G, but don't forget to get Noonie out of there first! Will this be end for Salida? Will Mo Mo and Slick Sally get together? So may questions. I guess we will just have to wait and see. Gret job, Noire! You never disappoint your readers. This book was fire!

### **Kitani says**

Trickery pulled me in from the beginning because you never knew what tricks would be pulled out to get what one wanted. Lil Lee thought she was harder than a lot of dudes but should've been focusing on doing right by others how she'd expect one to do for her daughter. Maleek was a lost soul and to think him following demands would ultimately lead him to do some craziness to Taleah. Ace and Pluto's weak asses were dumb when it came to them not realizing Salida and Monique were playing them. Somebody finally got one up on Sallie but I wish he would've gotten more. I really like Trey because he's doing what he feels is right when it comes to the children and the rest of his community. Chiney sure got more than she bargained for. I'm not feeling any remorse for what Monique did to Salida because something was bound to happen. I can't wait to jump into revenge because there's a lot of people that deserve punishment for their actions all behind money and power.

Noire keeps me wanting more and more each time! She's still the best in the game!!! Juicy and Trey are going through it and poor Chiney!!!
