**Timothy Tan says**

**Ruthie says**

I am simply thankful to God for this precious man and his heart and hunger for the truth. I am forever changed by this book

---

**James Scott White says**

Words don't more accurately describe all that we have and all that we are in Christ Jesus than the revelations found in this book. EW Kenyon expresses faith practically in such a way to educate and empower every believer to have a supernatural prayer life. This book elaborates on what it means to pray from the legal standpoint of a son and daughter of the Most High God; as well as bring conviction for Believers to actually believe.... Yay God!

---

**Dennis says**

This opened my entire understanding of how to pray and of my position in the heart of God. It was a real turning point in my walk with God.

---

**Samuel Patterson says**

Great read !!

**Justin Nichols says**

5 out of 5! What a remarkable, edifying book!! My goodness, I just can't recommend this highly or emphatically enough to convey how truly & powerfully beautiful the content is within. The tagline about developing a prayer life tells of less than an eighth of the substance found in Kenyon's intentions and words.

He writes so much and so passionately about our identity, authority, rights, and fellowship in Christ-- his main thrust is our ultimate grasp of what we are in Truth, and how that will transform our prayers, intimacy, and daily walk with the Lord.

### **Peter Nathanael says**

The book is especially for mature believers. New Christians wouldn't be able to get much out of it. The book is a treasure and a complete spiritual revelation about prayer. At times it is repetitive, but nevertheless a powerful book which Christians should read in their spiritual journey.

### **Tim Grage says**

**My number one book on union with God, Prayer and righteousness.**

This book has addressed so many issues on doubt, unanswered prayer, inferiority complexes, oppression from the enemy, fellowship with the Father, our union with Christ, our access to his ability and so much more.

It's by far one of the greatest books I have ever read.

### **Terry says**

Probably Kenyon's best book.

### **Gabriel Amoah says**

Nice Book

### **Cheree says**

What an amazing book! I shared quotes on Facebook as I was reading "In His Presence," and found myself typing in long passages because I couldn't find a place to stop!

Kenyon stresses relationship in this book, with the Father, Jesus, and Holy Spirit. With liberal use of Scripture in various translations, he clearly states where we stand and what rights, privileges and responsibilities belong to Christians today. Especially the responsibility we have when it comes to Intercessory Prayer and doing the works of Christ.

This is an incredibly uplifting book. Backed by scripture, he clearly states his case for why we should be

performing miracles in the name of Jesus today.

Careful study of this book and being a doer, and not a reader only, will provide the opportunity to deepen your relationship with God, speaking with Him daily, and walking in authority as a child of the Most High.

### **Mike says**

The richness of the subject matter, who we are and what we have in Christ, is terrific. The author's colorful and powerful ideas are life changing . One needs to slowly meditate our way through this topic.
