This book looks into the possibility of opening a home based business making beautiful 3D picture frames. 3D picture frames are uniquely designed, picture frames with various forms of embellishments used to create a work of art, that displays photos beautifully.

It's a glimpse into the options involved, whether it is to be at a hobby level, a home business, or regular brick and mortar store. It delves into the aspect of creating your own unique embellished picture frames, designing your projects, and even marketing your finished product. The main focus is upon the creative aspect of this type of business.

There are many reasons why people seek a home based business, and it highlights some of those reasons and benefits. It is outside the intended scope of this book to delve much into taxes, incorporation, obtaining startup capital, getting legal or accounting advice, market research, and creating a business plan, as each of these subjects can be extensive and are books unto themselves. There are however, resources listed to help point readers in the right direction to gather more data of the above topics, before proceeding.

Due diligence is needed when considering any business to start up. If you're looking for a possible home based business, this is a good read to consider this avenue.

Valerie Garner says

Really enjoyed this unique idea for a home based business. Even tho I don't plan to start one right now, I also found a great idea for making picture frames for my home and for gifts for friends around the holidays.

Gervia says

What?

Great stuff in how to start a business a thing else is information you already know. Not worth the free.
