Skin Deep Jennifer Lynch

Rebecca has given up Bridgette for adoption, feeling that she had very little choice as the father of her baby didn't want to know. The nuns at Saint Catherine's take the decision out of her hands because they have their own ideas. She returned to her cold and lonely flat in East London, vowing to change her life, and she gives up her job in the cigarette factory for a brand new start.

Bridgette grows up into a beautiful young girl but has surprises in store as she sets out on her own path to become a nanny. She can't help but fall for the extremely charming Neil, the father of the family.

An intriguing novel which explores mother and daughter relationships, boyfriend and girlfriend relationships, and adoption.

About the Author

Jennifer is an author, therapist, angel card reader and life guidance counsellor. She started writing in 1995 when she channelled the poem "I am a Rainbow". Skin Deep is Jennifer's second book, her first being The Silver Lining. She lives in the Suffolk Countryside, which brings daily inspiration to her life.

Cam says

I wanted to like this. But I didn't. It was immature and the ending fell really flat. Sorry.
