While Grayce got love and attention, Merci got all the hell, forcing her to leave home. She never looks back, putting the past behind her until ... her sister shows up over a decade later begging for help, bringing all of the forgotten past with her. Merci wasn't the least bit prepared for what was about to happen next.

Merci realizes, she's been a part of something much bigger than she'd ever imagined. Yea, every family has their secrets, hidden truths and ties but Merci had no idea she'd been born into the family that lies.

Saved by Merci!

This is my 3rd read from Author. I couldn't put this book down in fear I might not be able to pick back up! To say I wish there were a part 2 would be selfish, lol.. I can't tell you or express how the characters made me feel apart of them as if they were real family. I enjoyed Merck's character so much that I found a lot of me in her as well as Grayce. This book have me pondering a lot on beliefs and the way families keep to any secrets!!!

Great read! Merci and Grayce Alexander was sister that was born about 17 months apart. Grayce received love and attention for her dad, but Merci received nothing but problems once reaching the age of 14. Merci decides to leave home at the age of 17 and never looked back. Pastor Alexander and his wife was hiding secrets from their daughters that was not revealed until later in life.

Demetrica Boling says

Lord have Merci and the Lord had Merci!!

This family had so many secrets of sin and resentment . This book was a wonderful read there was the blood of God on every page . I can feel the faith in this book with every prayer. I'm so glad Merci found someone to love her and for her flaws and all. Sad about Grayce and baby Ethan. After a while I figured Warren was Grayce's father and he had slept with her mom.

Awesome Read

Since this is my second novel from this particular author I went into this with pretty high expectations and this author surely did not disappoint. The story was very captivating and it was like a mental maze full of unique twist and turns but it all fit together seamlessly. The novel gives you all the elements that you could expect from Christian fiction. However, in addition, it was drama filled but in a very relatable way. It also had the underlying theme of finding one's purpose and identity. It was like a happily ever after without the fairytales, rainbows, and unicorns. I highly recommend this novel and any other novel this author writes if you want an enlightened, inspired, and thoroughly entertained.

A family that Lies.

The scandals were endless. The lies where everywhere but a message was told in this book. This book exposed hypocrisy in every form and misplaced anger on so many levels. I do not give spoilers so you have to read it f or yourself.

OH BOY DID THIS FAMILY LIE IT WAS WORST BECAUSE THEY WAS "SUPPOSE" TO BE CHRISTAN AND NOT LIVING IN THEIR TRUTH .. WARREN WAS JUST LOW DOWN ... THE GIRLS DAD WAS THE WORST OUT OF EVERYBODY TO ME HE JUST HAD NO GET RIGHT AT ALL... I NEVER SAW THE MOM BETRAYAL COMING AT ALL... NOW MR THOMAS HE SHOWED UP AND OUT IN A GOOD WAY HE IS A TRUE BOAZ I SWEAR SO GLAD MERCI SAW HER BLESSING AND WAS READY FOR IT WITH HIM NOW HER SISTER HAD TO MUCH GOING ON AND IT DIDN'T TURN OUT IN HER FAVOR

Great read!!

This book had me in tears especially towards the end. Great show of spiritual faith. I guessed the secret at the end of why her dad treated her so cruel before you told it. But putting that spin on it with both spouses was the ultimate betrayal. Can't wait to read another one of your books. They had my praising God one hand, crying, and saying oh my where is my Boaz, lol.

Y'all should read this. It is very good!!

This was a very very good story. Omg my heart aches at some of the things that went on in this book. These sisters here!!!. It took a lot for Mercy to forgive Grace. Grace was the two gooder that never did anything wrong!! Sike!! She was sneaky and her deeds caught up to her but she didn't deserve the things that happened to her.. I'm glad that Mercy did get her happiness though!!!.

What you do in the dark....

Always comes to light. It sounds so cliché but it's true... even in books.

The Anderson family was interesting to say the least. I had mixed feelings about each sister that kinda flip flopped back and forth throughout the story but my feelings on their parents never changed. They were HORRIBLE and weak.

All in all it was a good read.

My name is K Sherrie,
And I recommend this read.

Wow...just wow!!!!

I truly enjoyed this book. It was a book club read but also an eye opening book of sometimes how our choices in life can cause so much pain and destruction..the characters just jumped out of the story at you because the things they were experiencing are so real and true ..this book brings pain..pleasure...love and

forgiveness along with healing and sanctity. This was my first time reading from this author and I think I'll try so more of her work . GREAT JOB!!

Gracefully Broken says

Great Read

I see so much of myself in Gracye from having an affair and baby with a married man. And, the lack of parental guidance after informing that I was sexually abused by the only man I knew as then a father figure and financial provider for my siblings, mother and I . However having Merci's strength and spiritual growth I am trusting God to lead me and guide me to ensure the curse of loving a married man is not imposed onto my daughter.

Joticia says

Yessss!

Yes, yes, yes! The betrayal, lies, and heartache had me so wrapped up in this book. I love how this Author takes life situations and demonstrates how God's grace and mercy carries us through the times when we just want to give up and especially through heartache, and even death. I especially loves how Grayce left specific details for Merci before her "end". Great read!
