great manga series to read. In this book it comes to the the whole truth and paths they take.

Reader17 Der says

Enjoyed this volume. Black Turtle and Se-in battle, and I thought this part was sad. It was more about Bi-Wal and his brother Ryung. There are some feeling still be held back in this family, and the brothers and sister work it out.

This chapter of the Angel diary series starts to make its way to the end with a series of twists that would chance this series from here on out! Great installment!

Starbubbles says

really, it was the same scene repeated over and over again, with the same dialogue. i understand the mood that was being set, but geez was it annoying to read. annoying. 'i trust you...' 'i trust you...' 'i trust you...' blah blah blah. still, really looking forward to the next book.
