It is unfortunate that most Christians neglect night prayers. Most families that pray together before bedtime always have a good story to tell. Prayers before bedtime are always very effective considering the fact that large percentage of spiritual activities of the witches and the wizards take place in the middle of the night. Prayers before bedtime will guide and protect you throughout the night till the following morning; therefore it is very important to pray in the night before bedtime. People who pray before they go to bed suffer less from pain, depression, anger and they are generally happier people. This book will show you benefits of praying in the night before bedtime and also reasons you need to pray at midnight hour at times. Also included are 30 Daily Devotions to Guide, Protect, and ensure Good Night Sleep Each Day.
