What happens when the CRUSH you've had since you were a kid continues to crumble your heart, time and time again?

As Jah struggles to make himself permanent in Jazmin's world, there always seems to be something or someone standing in the way. Not only does he have to continuously compete for Jazmin's heart with Sean, but an ex from her past has returned to stake his claim in her life.

Seeing Jah with other women catapults Jazmin into a tailspin; but will she finally admit it, or will she continue with this emotional façade? An ex from the past could be exactly what she needs to get over what she had with Sean and what she never had with Jah.

When the group of friends come under one roof and secrets are revealed, will anyone be left standing after everything hits the fan?

This second installment of CRUSH takes you on a ride that will leave you wanting more!

This was a great read. I can't wait for part 3. I hope in the next book Jah & Jazz can be happy. Lamar is not to be trusted. Jazz should have never drank that drink he bought for her. I just don't understand his goal in all this it has to be more then wanting to be with her. Sean is a horrible man.

Team Jah

I absolutely loved this book. It's a quiet sleeper and well worth it. Happy that I invested in this... The twists and turns were amazing, some were predictable but just when I thought something was to happen it was flipped. All I have to say is when is the next part???

Elle1986 says

I love this series!!

Andrea Williams says

Smh!! Oh lordt!!

I have mixed emotions with part 2. For one I didn't want it to end and for two I feel sorry for jah. Sean is just scum and deserve everything he gets. I'm not going to spoil it for others. Just know this is a must read!

Kitani says

Yeeeeeeesssss Ivy!!! Now I'm waiting on part 3 because things are definitely about to heat up. Man with Lamar even came from? I can't take dude serious at all. I'm still team Jah even though he still needs to explain some things. The relationship between Jah and Juicy is crazy but I love it. It was about time all of Sean's messiness was put out in the open. I swear I would've never guessed Desiree's secret would be the reason she was experiencing so many complications. Rayven is just as dumb as she want to be and I was mad at how easily she allowed Sean to manipulate her. She did get him good though and hopefully she'll stick to what she decided. Erica trifling behind needed what she got and it was long overdue for Jah to realize those two were trying to play him. I am mad he took things as far as he did instead of walking away and putting what he was trying to build in jeopardy. Poor Sheena! That part had me tearing up something serious. Lamar is low down for what he did and I hope everything works out for Jah so he can really give him the beat down he deserves. Lawd I hope Jazz doesn't turn to him as a shoulder to lean on and realizes just how underhanded his gay behind is. I must say I got happy once Jazz finally embraced her truly feelings and I hope the things surrounding the ending doesn't crush her completely where she doesn't get her happily ever after.

Shekie Johnson says

Man I am so hurt, Jah omg ,I feel so sorry for him. Poor Jasmine.. Lamar is just doing the most. Sean oh well, I Dont care about him or Erica!! This is a really good book.I shed a couple of tears too.. Let me go-ahead and start a go fund me account for my boo Jah!!! I cannot wait for part three.

Metris says

sitting here MOUTH WIDE OPEN Whyyyyyyyyyy????!!!! Where is my book 3?

Jazmine I love her too but sometimes I just wanted to slap the "retarded out of her dumb butt" ;-)
Sean JUST NASTY
Ray stupid
Desiree just smh
Poor Sheena

Yolanda says

Banger

I really enjoy reading Ivy books. Crush 2 is definitely a banger. Her characters, the story, the dialogue it all just flows so well. Ivy is a remarkable story teller and she does it again in this story. The way she brings them to life and make you feel like you there. She never disappoints. I'm a fan for life!!

Kay says

Listen here I will sum this up.... Jah LOVE HIM!!! And he is funny as hell a straight up fool i lost count on how many times i bust out laughing and him!! ... Sean .. Ughhh straight disgust!! .. Lamar.... Sneaky little jerkoff... Hate him.... Jazz yes finally woke up ... This book gave me LIFE!!!!!! I loovveed it AGAIN!!
Awaiting book3 impatiently LOL!!

Shanta Gray says

WOW! I thought it couldn't get any better but I am speechless. I wish Jaz would take off her blinders when it comes to Sean & Jah. To totally different men with different outlooks on life. Jaz & Jah are both stubborn as hell! I love how Jah is all hardcore but when it comes to Genesis and Sheena he melts like ice on a hot summers day. Sean has ran through this entire pack of friends and none were the wiser. He is a manipulator of the worst kind preying on women. Rayven has been through so much and didn't even tell him she knew he was nasty. Lamar is low down for that mess he pulled. I hope they find out the truth about that.

Jasmin Watson says

Crush 2

Lord I don't know where to start with this book. It pick up right where part 1 left off. I was happy to see that Jazmin is growing up and finally letting Sean go. I was surprise at Desiree and was shock to learn the reason why she can't have kids. Sean is something else and swear he need to sit down somewhere. Rayven is so naive I wish she will get it together. Lamar this fool is something else I swear he up to some. The ending was something else I bet Lamar got something to do with it.

Michelle Hicks says

Suspenseful!!!

I read the first Crush and it was very good too, but this one is very exciting and suspenseful. I can't wait to read the next one! I know it's going to be interesting! I hope it comes out soon cause I can't wait to see what's gonna happen! It felt like I was in the story myself lol! Ivy Symone is a very good author. People can relate to the characters in both Crush and Crush 2. These are the first books that I've read by her but now she has made me a fan of hers! I would recommend these books by her cause I know other people will like them!

Sandra (Book Loves) Atueyi says

Surprised and shocked

Once I have started reading this book, I can't put this book down cause it's really a good. It's left off from Crush. Ivy Simone did a good job. It's dealing with more drama. I can't wait to read part 3 of this book.

Taz Will says

On one hand I enjoyed this and on the other hand it was just really petty and childlike drama going on that made this a bit boring. All the swapping going on I was just waiting for someone to be exposed for having AIDS or something. It's almost to a point the only person you want to succeed and make it is Jah. I think it's time for him to really move on from foolish Jazmine and her nonsense. The ending has me wanting to read the next one though so this was a good read.
