Alison Johnson says

Read it a long time ago. A very good coherently written book which is encouraging and insightful.

Lana Jackson says

This book reads like a personal letter to the reader because T. D. Jakes writes to women as if a loving father is writing to his daughter. He writes on behalf of all fathers to reinforce their love to a beloved child, on behalf of the father who could not express his love, and on behalf of the absent or non-existent father. On Behalf of The Heavenly Father, Jakes writes The Father's Love into a woman's heart who may have grown up with an abusive or non-loving father and is not accustomed to feeling loved.

The template for this book is Jakes' sincere writing to his two daughters and the love and advice he wants to leave with them, but he structured "Daddy Loves His Girls" to be applicable to all women.

Through scripture, Jakes ministers to the reader the love of our Heavenly Father; and through personal examples, he gives us insight into the workings of a man's heart. Jakes also includes some practical advice on relationships and investing for the future.

"Daddy Loves His Girls" is an easy, uplifting read.

I read this book a long time ago - it must have been in 1998/99. I remember in particular the chapter titled Romancing the Stone. I found the whole book very comforting at a time when life for me was very difficult and every relationship I had around me was just falling apart. It was such uplifting text.

I thoroughly enjoyed reading this book. I couldn't help but smile while reading it. T.D Jakes brings to light so many situations regarding life as a woman, as a daughter that I can personally relate to. I had a difficult time believing it was authored by a man. I definitely recommend this book for all women, believers or not. Saved or not. It's a powerful book with a powerful message.

Grace Kenganzi says

It may be written from the heart of an earthly father but he captures the heart of our heavenly Father.
