During her spring break, Isabella, a college student from the United States, visited Rome. There she met Antonio when she asked him for directions. Attracted to each other like magnets, they started dating after spending the night together. But the happiest moment of her life ends when Antonio dumps her without any explanation. That's when Giovanni, Antonio's older brother, volunteers his moral support to Isabella. While comforting her, he offers her a drink and suddenly Isabella finds herself caught between two brothers and accused of cheating! How is Isabella ever to win back Antonio's love?
