Non. Juste... Non. Ce volume était vraiment trop ridicule pour moi, je suis désolé. Bien sûr, Lovely Complex est une comédie, mais là j'ai l'impression d'être en train de lire un des pires volumes de Switch Girl.

C'est juste vraiment trop "over-the-top" pour moi, tout ça. Mais bon. La fin me rassure un peu que la série va reprendre son cours habituel (sans les hôtesses et les kidnappings et autres inventions trop farfelues de l'auteure orz...).

Et puis pourquoi la couverture est presque la même que celle du tome précédent?? Genre tout ce qui change, c'est le visage et la position des mains des personnages?

Debería haber terminado hace unos cuantos tomos la serie. La verdad que todo esto es puro relleno u.u
Me saca un par de sonrisas por eso le doy 3 estrellas, porque si debo ser objetiva es todo bastante malo!

4.5/5

The conflict in this volume was really interesting and I found myself not being able to look away from the book once. This book was an enjoyable read during my break time(at work). Can't wait till next volume!

SPOILERS:WARNING:

Risa believes Hitomi is the girl that her grandpa hired, but Otani thinks that's nonsense. Turns out the girl that Risa's grandpa hired went after Kohori by mistake! That means Hitomi is not that hired girl, so question is..who is she??

Risa's grandpa finds out that Hitomi is another one of his 5-plum that tricked him back then into buying her a condo, meaning she is a scheming person. Risa doesn't believe this and goes over to Hitomi's place, which resulted in Hitomi getting back together with a Yakuza, and OTani findinf out the truth of Hitomi. Haruka is sad that Risa rejected him again, and all of his girlfriends want to support Haruka so they set up a plan to steal Otani from his date with Risa.

In the end Haruka and all his 9 girlfriends reunite, and everything is in a great mood!

I absolutely LOVED this volume! it was too hilarious for words, i enjoyed every minute that i read it. its sad that this series is coming to any end :(

I'll start by saying that this manga series is great overall and the end of this volume pretty much lets the reader know that things will be return to more normal shenanigans in the next book, but honestly? This volume (plus the last one) just pushed themselves over the line of believable ridiculousness.

I always like the quirky nature of Koizumi and Otani's story lines and I don't even mind that much of their plot is about other people trying to break them up. **HOWEVER**, this sort of off-the-charts drama is so unnecessary that it made me cringe all the whole way through the ordeal.

I'm sure the series can recover from this and I can completely delete this part from my memories, it's just disappointing. Pre-Volume 13 the manga had managed to be a romance story with all the normal trappings without going to far outside of the box. Now I just hope they find their way back into the box so I can have a satisfying conclusion without any more of this hubbub.

Risa x Otani makin lengket aja fufufu :3 *Yahh,, walau masih sering marah dan berantem jg*

Yue says

First I thought Otani was a a real jerk by not believing his girlfriend telling him about this ho. He even became angry! I thought this volume was not going to be so great... I was decided to give it only 3 stars... But he redeemed himself later... So the ho was really a mean ho who tried to harm Risa. Grandpa asked Otani for help, even if there were yakuza at the ho's house (I just learned what 'yakuza' is: the mob). Otani was not afraid cuz he needed to save Risa. And then, in the apartment, he confessed he loves Risa... awwwwwww so cute.

The whole chapter with Haruka's girlfriends and Umibozu concert was also cute. I like Otani now and I forgive him his bad mood during the exams. He is nice and a wonderful boyfriend as well as friend.

Aside note: I looooove the outfits! Specially Otani's clothes... the details... OMG! Really good artwork.

This was one of the more wackier volumes. Super entertaining though!

VampAmber says

So many wacky hijinks! At least things got fixed after Risa's grandpa meddled in everything. And it makes sense why he hated Ôtani so much, too. He just wanted better for his granddaughter. And I'm hoping Haruka has better luck soon. Going after Risa when she's head over heels for Ôtani was never going to get him to a happy ending. He's a sweetie (when he's not being a jerk to Ôtani, at least), and he deserves a happy ending. Especially now. ^_^ I just just wish I wasn't almost as the end of the series. Sad face.

Nidah (SleepDreamWrite) says

Uh oh looks like Risa has yet to find something else to deal. This time it has to do with her Grandpa not liking Otani. Now what? This one was good. As always the art is drawn really well. That cover is cute!

K. B (▷?•??•??)▷?????? says

Omg! I'm so close to the end. I don't want this to end!! Waaahhh!!

Anyway, this volume Grandpa approves Otani to be Risa's boyfriend. Yaaayy! Everything is back to normal! Thank God! I wonder what will happen next... only few chapters left... I hope the end is satisfying.

This review is for the Italian edition.

Meli Agüero says

En éste tomo Otani estuvo muy lindo ❤? Se nota que realmente ama a Risa y que está dispuesto a hacer de todo por estar con ella.

La escena del parque, señores. Fue H-E-R-M-O-S-A.

Y el capítulo de Haruka estuvo bueno que fuera para que él deje de molestar por estar con Risa, aunque sus

novias dan miedo (ósea, secuestro)(Tampoco se que le ven a Haruka :v)
Falta poco para el final T-T
