When it comes to marriage these days, anything goes. No wonder you can find a book on marriage from every perspective--or no perspective. How can you experience a great marriage that lasts? What works?

This book answers that question by shining a light on the biblical design for marriage. In a world of sexual and relational confusion, isn't it time to consult the One who created marriage? Author and pastor Chip Ingram, with his characteristic compassion, transparency, and engaging storytelling, discusses

- what marriage really is
- the biblical model
- a man's unique role in marriage
- a woman's unique role in marriage
- the bigger picture of why God created marriage

A marriage that works, says Ingram, is more wonderful than you thought possible and harder than you imagined--but worth the work. Couples will learn the power of making a covenant with their spouse and fulfilling their design in an atmosphere of respect, resulting in the spiritual, psychological, emotional, and physical oneness they long to have with each other.
