Baby Be Kind

Jane Cowen-Fletcher

Baby Be Kind Jane Cowen-Fletcher

Even babies can be kind, and for the youngest of children, Jane Cowen-Fletcher's endearing artwork makes the possibilities ever so appealing.

What are some easy ways to be kind? Say hi to your friend. Be nice to your puppy. If you see someone fall down, maybe you can help them up! How about sharing your cookies or crackers? Or giving a tired someone a ride in your little wagon? From taking turns to saying you're sorry, trying not to be angry to giving a big hug, these simplest of gestures, rendered in Jane Cowen-Fletcher's adorable style, show that being kind feels so good that even a baby will want to try it.

Terri says

Baby Be Kind by Jane Cowen-Fletcher is a cute board books for ages one to three about the gift of kindness. The book teaches how a little bit of kindness can go a long way. The two children in the story share their food and toys, help each other out and share their time together. It is a great learning tool and it is never too early to teach a child the benefits of being kind. It also has wonderful illustrations. I will be passing this book on to my three year old nephew because I know he will love it.

Alexandra Chauran says

This book is completely adorable. Perfect for toddler babies only a couple years apart to share. Bite sized values in a chunky hand sized book.

Vivian says

My two-year-old granddaughter loves this book.
There is a puppy to find on every page.

Dave says

My baby liked it. I tried explaining to him that the themes and motifs in the text were fairly simplistic and lacked any thematic richness or semiotic substance. Thankfully, he ignored me, which is encouraging. 9/10

Heather Jo says

Rebecca Chew says

Classic pictures that teach children how to be kind. Love how the sentences rhyme too!

Tracy says

Eh, innocuous enough.

Jeani says

My 2 year old was very interested in what the babies were doing! :)

Tori says

This is a really sweet book for little kids on being nice to your friends, sharing, and caring. My little one loves the ending because we always act out the hug!

Amelia says

One of our PJ Library favorites, a sweet book about loving-kindness (or chesed in Hebrew) that my daughter loves to hear read aloud. Gentle illustrations of a girl and boy toddler plus a puppy and the ways that kindness can permeate the best actions of even the tiniest people.

Valerie says

A good book to help young children learn practical ways to be kind. Things like waving good-bye, sharing cookies, and giving hugs show practical ways that children can practice daily.
