## **Cheese Obsession: The Complete Guide with 100 Recipes for Every Course** Georgeanne Brennan

Packed with information and inspiration, this cookbook takes an authoritative look at cheese, acting as both a comprehensive cookbook as well as a helpful primer on the subject. From key types of cheeses and main regions, to tips on pairing cheese with wine and beer and creating the perfect cheese plate for any occasion, to enticing cheese-centric recipes, organized by course, this is the ultimate resource for any cheese lover who is looking for great ways to showcase this favorite food through delicious dishes. With an engaging personal narrative and gorgeous lifestyle photographs, this is an indispensable guide for anyone who is looking for ideas for serving and cooking with cheese.

Organized by course, this book includes more than 100 luscious recipes for sweet and savory dishes that showcase cheese. Classic favorites are here, from mac and cheese and fondue to enchiladas and burgers. You'll also discover contemporary dishes like fried pecorino with stonefruit salsa, roast chicken stuffed with Gruyere, over-roasted endive with Saint-Marcellin, and tangy plum tart spiked with ginger and chevre. In addition, you'll find helpful tips on pairing cheese with wine or beer, putting together a perfect cheese plate, and a comprehensive guide to cheeses from around the globe as well as artisanal varieties in North America. Celebrated author and cheese aficionado Georgeanne Brennan's wonderful narrative runs throughout the book, bringing the recipes and cook's lifestyle to life.

**Emily says**

What a fun and delicious book. My sister gave me this as a birthday present a few days ago and I've already tried a recipe for lasagna with spinach and three cheeses that was so good, my husband practically sang a spiritual.

Lavish photos and whimsical copy add interest to the recipes, and I especially like the suggestions for pairing cheeses with wines and beers. This book is more than a simple cookbook; it is an adventure in food.
