**Dewey's Christmas at the Library** Vicki Myron , Bret Witter , Steve James (Illustrator)

The newest adventure in our *New York Times* bestselling series celebrates Dewey's very first Christmas!

The holiday season is in full swing in Spencer -- the lights are twinkling, the wreaths are hung, and Christmas bells are ringing. Inside the library, Dewey longs to be part of the holiday fun and after a series of silly misadventures, Dewey finds a way to add his own special touch to *his* beloved Christmas tree -- and the results are Dew-rific!

A wonderful way to celebrate the season with everyone's favorite library cat.

I enjoyed reading the continuation of Dewey's tales at the Library. Great illustrations.

A cat, Christmas, and the library? I really wanted to love this book, but the storyline, and Dewey, were all over the place. It was just a little dew-ridiculous ("dew-licious...dew-rific") for my taste. Not a fan.

### **Margaret Chind says**

Though I had heard of Dewey Readmore Books before this children's picture book I had not really been introduced and I'm delighted to know of such a sweet kitty cat. As a cat lover myself and admitted book-a-holic what could be better than a library cat? Dewey's Christmas at the Library in a word is Dewey-lishious. Every page is filled with imagination and thought where this sweet kitty learns about Christmas and helps make it a special time. I'm delighted with this book and I will have to find myself a copy of the previous Dewey's Picture Book in Dewey: There's a Cat in the Library!.

\*Thanks to Little Brown for Young Readers for providing a copy for review.\*

Dewey, the library cat, is just figuring out how holidays work. Christmas, especially, seems mysterious, wonderful and overwhelming with all of its decorations. But when Dewey accidentally decorates the Christmas tree with red yarn, the librarian loves his work!

A Christmas story of library cat Dewey Readmore Books, based on the real life adventures of a cat found in the Book Drop of the local library in Spencer, Iowa.

If there is one thing that children at my school love it is animals. Especially dogs. And especially cats. Celebrity dogs and cats are quite popular. Including Dewey.

Now combine the celebrity cat with Christmas and you've got a lovely story that all will like.

This book was pretty cute. I liked the illustrations. They had a painterly effect. I think the illustrator may have been working from photos or using their own cat as a model for Dewey in the book because he was pretty spot-on. There is one part where he's looking at some yarn or something to pounce on and he has that "crazy cat look" in his eye. The use of the word "Dew-riffic" was a bit overboard, but I also have a bias against words like that (including purrr-fect).

If there are more books about Dewey, I will certainly read them.

My students have been thoroughly enjoying the antics of Dewey the Library Cat, especially this story about Christmas. They have been quite surprised to discover that Dewey was a real cat! This story of Dewey's adventures at the Spencer Library during Christmastime is great fun. Highly recommended as a read-aloud!

I got this for Christmas in 2017. It was super cute.

This delightful book is not just for children. Dewey's legacy lives on and will touch your heart!

We love this Dewey book as well...the illustrations are spot on for cat expressions! Reminds me of when my cat used to be so playful...but he's an old fart now and just wants to sleep all day :)

A good preschool storytime read. The story's a bit simple, but the kids enjoyed seeing Dewey exploring all the trimmings of his first Christmas, including finding a bit of mischief. And of course, books about animals are always a good bet (with me too, especially books about fluffy kittens).

I like the painted effect of the illustrations - very pretty. And the artist really captured the "POUNCE!!!" attitude of a young cat towards string. So cute!

The only thing I really didn't like was the Dewey-centered adjectives (Dew-riffic, etc). Just a little awkward from a read-aloud perspective.

Aww... I love Dewey. The artist did a good job capturing his likeness based on the photos I've seen and also in capturing what cats look like when being crazy with all the trappings of Christmas. The look he has on his face when fighting with the red ball of yarn is particularly good lol! A very cute book.

### **Jen says**

Who couldn't love Dewey? I know I fell in love with this kitty book.

### **Katie says**

Cats? Check! Library? Check! Cute story with a cat being curious about random things? Check! Pun? No (there was a missed opportunity at the end of the story). Definitely a must read for fans of cats, fans of libraries, or fans of cats in libraries.
