First book in my life that made me cry!

Gulzar Choudhury says

I feel as if I had experienced emotional trauma at the hands of a book.

Muhammad Shakhawat Hossain says

This is great read! The very second novel by Humayun Ahmed. So spontaneous and so strong and also so matured!. Humayun told the whole family tale in such a magical tone and draw the familial tensions so vividly. I read this book a long time back (almost 12 years) and till this day it has the same appeal to me. I remember, up to my teen days, every time I read this book, I cried. I'd like to include it in my '10 best Bangladeshi novels' list. I think I would have included this even if I were to pick 5 instead of 10!
