Noninuna says

Still a fun read even tho I've read a few of the strips compiled in this book. I had just notice Linus' younger brother Rerun and he's SO adorable!!

Grete says

Schulz's originals are better than more recent Peanuts fare, but I still rarely appreciate or even understand the humor.

Eva Inzu says

I am a fan of Snoopy. I have a lot of book about Snoopy. Snoopy is not only fun but also teach us important things. I learned that it is important to take good care of my friends from this story. Snoopy always teach me anything important, so I am a fan of snoopy.

It is difficult to deal with Snoopy well because he is selfishness!!

Dylan Rushing says

This is a great book if you are a fan of Shulz. Who is a great writer and animator since as long as I can think back to my own mothers childhood. Snoopy is a unique and mischievous dog, and he will never change.. Check out the movie coming out November 3rd, 2015!

Danielle says

This was a fun, fast read. I really enjoyed snippy and the whole peanuts gang. Poor rerun wants a dog, Linus and the great pumpkin and many more enjoyable shorts.

Julia says

Happiness is reading this with daughter!

Maryse says

I adore Schulz. Nothing compares to his humor, witty, smart, very unique and absolutely hilarious. His strips

have helped me get through some really tough days. Classics

Lulu says

It's Peanuts... what can else say? I love the characters, I like the design of characters and that it isn't a black and white comic strip... but above all, Snoopy and the gang have been part of my childhood and teens, so they're so dear to me. A fun read.

Duane says

You just can't go wrong with Snoopy! Filled with color comic strips, you get to laugh along with Snoopy and the great Peanut's cast as they live in their entertaining little world. I love Peanuts!
