Nic says

Free short story (28 pages) centred around a flirtation between a cute boy on a Kawasaki and an older biker on a Harley. The younger man flirts, the older man eventually takes the bait, a bit of a bike 'chase' then ending with some sex-on-the-harley. Not bad for a really quick read.

Garth Mailman says

Begins with a young buck trying to hang with the big boys who diss him for not riding a hog. Another M+M Romance written by a female. The ride may be on a Harley but it wasn't moving at the time.

Mirjam says

Short but hot read. It's a fun and frisky read with a smexy scene on a Harley!

Jean Malherbe says

Aptly named

Very short, very sweet read.

Absolutely loved the characters here.

This author has done a wonderful job of developing not only the plot but the depth of character in only a few pages.

This story is cute, snarky and full of heated banter (of the sexy kind).

Loaded with delicious innuendo.

Highly recommended for a quick 15 minute read.

Standalone story.

Heat about 3 flames.

Jane says

Very short, but hot and the characters were vividly drawn and stayed with me.

Elin says

[some hot sex on Mack's Harley (hide spoiler)]

Not sure what this was supposed to be. I thought it was going to be an erotic short. But the sex wasn't very explicit or raunchy or graphic. Basically it didn't have what you would expect from an erotic short. It was ok but I wish the sex was better.

And who the Heck wear shiny red tight bicycle shorts on a motorcycle? Especially if that person is a guy?!

Miranda says

Fun ride, hot, funny, cute gay romance.

This is my book so I won't review it.

Jenn (not Lily) says

Short and hot!

Sharon Eikenberry-Deary says**Different for sure**

First gay read. Very interesting. Rethinking the idea of watching 2 men. Can be very erotic and tempting. To picture it is nothing but exciting

This is a freebie you can get at All Romance Ebooks. Free is always good. Mack drives a Harley, typical biker dude but young Brad drives a Japanese bike and has been teasing Mack for weeks with suggestive comments. Finally he goads Mack into a "race" where Mack decides to see if Brad is ready to put his money where his mouth is. There is some fun on a Harley in the country and then the question is was Brad just after a one-off or could there be more. So just a little short about teasing and flirting and maybe getting what you asked for after all. If you are into motorcycles there is lots of descriptions of them driving, it's not really my thing. I didn't like it as much as the other free shorts but it was okay.

Furio says

This is a little erotic short story among bikers which focuses much more on the foreplay than on the actual sex scene.

Other reviewers are disappointed by this, I am not.

That said, to make this story more deep and interesting, a little more attention to psychological transitions would have been needed. As it is the story is no more than nice.

This is another free short story, although the PDF shows 28 pages the story itself is only 17 pages, offered by J.M. Snyder. It's the story of a sexy afternoon encounter between Mack and Brad. They are seemingly very different, Mack is close to 15 years older, a big leather wearing Harley rider and Brad is a cute flirt who rides a Kawasaki instead of a real motorcycle.

When Brad's usual flirting and teasing turn into a challenge that Mack can't turn down the guys head off on a ride that ends in a secluded meadow with Brad taking a very hot ride on Mack and his motorcycle. The next afternoon Mack is sure sexy Brad won't be back but once again he shows up with a teasing request for more. This was a super sexy story that I really enjoyed. Check out J.M. Snyder's site for more goodies here.
