A gorgeous birthday present. Written by the son of the original Little Miss and Mr Men author, this tells the story of Little Miss Birthday who loves choosing and giving the perfect birthday presents. This tale focuses on her worries in choosing the perfect gift for Mr Wrong - something we can all relate to!

Adam Hargreaves continues the tradition of excellence that Roger Hargreaves established in the original concept.

The emphasis is on character traits.

Alannah Clarke says

I absolutely loved these Mr Men and Little Miss books. I remember getting them from my granny every week. There was so much from these simple characters, I remember filling my little bookshelf with all these books making sure I had got them all in right order. I wish I still had these books but somehow most of them got lost with many house moves or my mum gave the rest away. If I ever have kids, I will make sure they get the chance to experience these wonderful, colourful books.
