## Loving Angel 4: The Finale Carry Lowe

This is the final book in the Loving Angel series. Stay tuned at the end of the book for an excerpt from BANE JACKSON by Warren Smith.

Tyga and Angel are back for their final battle. Having just gotten rid of Dread and Ninja, they thought that their troubles were all behind them, but not if Maria has anything to say about it. She's out for blood and is scheming to see Tyga and Angel bleed. Soon our favorite couple finds themselves involved in another war. Will they be able to come out on top this time around?

Delco and Daisy are also having problems with their own Maria, who is determined to finally tear them apart. She too has many tricks up her sleeve and won't stop until she has Delco back. Will she finally be able to get back what she thinks belongs to her?

They say all good things must come to an end, but how will our favorite couples' stories end? Will they finally be able to have their happily ever after? Or will someone be able to finally tear them apart, whether in life or death?

### **Bennita says**

It's sad that this is the end of the series. It started and finished with a bang. This final chapter was a definite page turner and I was reading every chance I got to see what would happen next.

Angel and Tyga's relationship still remained as strong as ever. It was refreshing to see that their conflict was external to their relationship instead of someone trying to keep them apart. They showed how strong they were as a couple and Tyga chose his family over the game, which made me love his character even more. He was such a loving husband and father but he was also willing to kill anyone who jeopardized his family. Angel was still the strong-willed wife, ready to protect her family as well and she was always willing to see the good in others even when they didn't deserve to be trusted.

Delco and Daisy still had to deal with baby mama drama, but Daisy stepped up to the plate and did what she needed to do to keep her family together. Delco's ex did her damnest to plant doubt in Daisy's mind, but Daisy wasn't having it and she stood by her man, but not without a devastating outcome.

Keya finally got what she deserved. She disgusted me so much in each book, but this book was the absolute worst. She had no loyalty to the people who loved her. She tore her family apart and sentenced many men to their unknowing death spreading HIV to anyone who was willing to have sex with her.

Old enemies became allies, horrible secrets were revealed and families were destroyed. I couldn't have asked for more in a book. I will definitely have to read more by this author.

#### **Loving Angel 4: The Finale**

Keya's nine lives have run out along with Auntie Mina. While Daisy & Delco are still together. Tyga steps out of the game to concentrate on his family with Angel. Didn't expecting that scenario at all. I give this book 3\*\*\*.

#### **Loving Angel 4**

I loved this whole series. I hate that they stretched it into four books. Tyga and his crew were the truth. Keya finally got what she deserved. I can't understand what goes thru a person's mind to do that. That's scary. It was an entertaining storyline and I couldn't stop reading it if I wanted to. It had everything. I didn't like Keisha for Chance at all. I admired the love, loyalty, respect, and, obligation that bound Tyga and Angel and their families and Crew. I even grew to like Kit. Maria and her family was crazy and they got what their hand called for. Excellent book. Highly recommended.

Good ending ????????

Seems like everyone name that started with the letter M are crazy in this book lol. Wtf didn't know carter was still around talking about resurrected the dead lol Seriously between Angel and Tyga families not sure which one is more crazy still can't believe keya was still breathing smdh that chick is a weapon you do not want in your enemy hand, she have no remorse at all. The final book was great questions were answer and a lot of people went Dix feet under lol, really enjoy the book.

**Love Is All Over!!!**

Wow this was stunning conclusion to worthy series. Finally those that needed getting their just due finally got served. This was also about growth not only individually but also as a couple and a family. I have got to say, I can't tell you how glad I was about Keys, I mean was this chick crazy or what? Thanks to this writer for keeping every story in this series a page Turner. I look forward to another exciting ride in the future.

10\*\*\*\*\* OMG what a way to end this series. This was so damn good. Hoodlove and beyond. So much drama was going on, we get more of Chance crazy self, more kids. Family becoming stronger, love ones lost, the only thing that keeps playin in my head is John Legend "All of me" it was perfect for this book

**Lord, hate that it ended!**

**Lord, hate that it ended!**

I love Angel and Tyga! I read it slow just so it wouldn't end so quickly lol! Great job Carry!!!

**Donica James-edgerton says**

This book got hella crazy. Shit came out that you wouldn't expect. The drama came right off the pages and the characters came alive. I can't believe every thing Angel and Daisy had gone threw with their families. I'm just glad they got thru it together and came out stronger then ever. Keya got what she deserved after all the shit she has done to ppl. Angels step-mother, sister and brother they all needed what happen to them forreal.
