### Melanie says

It's been 2 whole months since I read a book!!! :O

I wanted something light and couldn't decide if I wanted MF or MM so went with this.

I'm glad I did, it didn't drag, I got a pretty quick resolution to the conflict and it wasn't filled with pages and pages of angst which I wasn't in the mood for... and of course it had hot sex of both MF and MM.

Win win.

#### Ren's Review

Nix, an Elf Princess, walks into a bar, was determined to have one last night of passion before submitting to her father's will. He is forcing her to marry his advisor who has his own agenda.

Nix's stunning beauty and sensual aura immediately attracts everyone but she knows what she wants. Her senses single out two human men, Cort and Boone, who are playing pool in the back room.

Cort and Boone have best friends for years. They work together and play together so it's nothing new to them when they take Nix to a motel room for a night of raw, steamy sex.

Nix wakes up alone but falls into a sweet excruciatingly aroused state as she realizes, unbeknownst to her lovers, they have been mated to each other.

I didn't think that I would enjoy this book as much as I did.

Cort, wild tempered and sarcastic, is the perfect blend to Boone who is more of the sensitive gentle type. While out on surveillance, they find themselves shifting for the first time when they realize Nix is in danger. Their amazement is comical as only two best buddies can be. Passengers on the bus thought I was losing my mind, as I couldn't stop laughing over their reactions.

More secrets and more hidden desires are revealed as Nix, Cort and Boone find themselves in the thick of an investigation that turns their world upside down.

The tenderness between them is as evident as the discovery of new love. I really liked these characters and the story line but I do have one complaint, though. I wish it had been longer.

The main reason I liked this one was due to the limited m/m action that went on.
