## **Sex Camp** Natalie Acres

Trixie Cartwell likes to turn a few heads. She's out of control and her family knows it. When Kane Cartwell decides he's had enough, he sends his daughter to summer camp to work off her excess energy for a few months. What he doesn't bargain for are several cowboys ready to occupy her every waking hour while she's away.

Camp counselors and die-hard cowboys, Mitch, Brock, and Rory have several ways to keep the young Miss Cartwell extremely busy in a rustic summer camp. And they aren't the only ones with wild and wicked ideas.

When Trixie returns home, her fathers are less than thrilled about her decision to take on a few cowboys for a lifetime. That is until Rory, Brock, and Mitch prove themselves worthy of Trixie Cartwell's love by protecting her from a threatening man from her mother's past.

### **Jezi says**

This books had to be the best of the three for me. The only oversight on this book was that according to the timeline on the other books the youngest that Stephan could have been was 44 and in this book they say he is in his early to mid thirties. Otherwise the story is full of laughter and excitement.

The Second Book Where Peyton Has A Daughter And Trixie Is Twice As Much Trouble And Gets Sent To Cow Camp As Punishment With No Cell Phone Or Allowance And Manages To Entice Three Men On Her!

### **Sharia says**

Throughout the book, I found myself constantly annoyed by the heroine. She was too undecided, foolishly impulsive and threw one too many tantrums. Didn't cotton to the heroes either.

All in all, I doubt I will continue with this series.

I don't even know how to rate this book.

At the beginning I enjoyed it, but later on it got worse.

Since Trixie got lost in the woods she has started to behave strangely. It's like she hit her head on that stone. Suddenly she became really promiscuous and as the book progressed she also became spoiled brat or maybe she was a brat at the beginning, but the extent of it I could see only at the end.

Tell me, who in his right mind would like a woman like that?

And what is wrong with authors nowadays? Does every book concerning menage have to involve also BDSM?

Not everybody is into it!

What is more, I had a tough time believing they loved each other.

This one didn't rock my boat as much as the first one did, but I still liked it. There was a little bit of the steam factor missing IMO. I also thought it strange and not at all believable that the alpha male dads would be so understanding of the new dominant men in Trixie's life...yeah right is what I was thinking!

Still entertaining none the less.

This one was just okay for me. I do like the Ms. Acres sex scenes. It is a good read. Fast and great for a relaxing weekend read. I enjoy all of Ms. Acres books. This one was just not as good as the others for me.

Well if you can't tell by the cover or blurb this is a menage between three male friends and Trixie Cartwell. M/M/M/F...no male on male touching.

In book 3 of the cowboy sex series we follow Trixie to Cow Camp for her summer of 'punishment' She may be only 19 but she is so much like her mother Payton she seems to wind up in trouble.

Soon Trixie has her eyes on three boys and the back and forth between them is a wild ride. Trixie may have arrived at Cow Camp a virgin but she ends up with more than she can handle. Brock, Rory, and Mitch provide some education between the sheets and possibly a little love and happy ever after.

However if you know the Cartwells trouble always finds them eventually. Stephen Prachert, (the school shooter and Paytons kidnapper from book 1) gets out of prison and has his eyes set on Trixie. He wants to marry her and knock her up for the Cartwell money for his revenge on Payton.

Well that's the overview. This book is filled with some hot sex, drama, and some alpha male flying around. Not only do we have Brock and Mitch but we also get to see how Trixie's daddies deal with their daughter entering into an unconventional relationship.

This whole series is so good.

Rory is like yum yum yum yum. My God! The hot boy next door was freaking sexy. I've got my eyes on him. The friendly one. Oh my God! Hahahahahahaha XD

HOW SAD about what happened with Mitch and Jordie. I agree that they ain't kinda matching? Mitch is like Kane but more like Patrick. I mean he's acting like Patrick but his vibe is more like Kane. Now I know they're young so maybe he'll develop as Patrick soon. I hope not cause Patrick was weird. Brock. So he fell the hardest? Damn if I didn't saw that. I didn't!!!!!! Like that was the least of my deductions. But Brock is so smooth. I fell in love with him when he made that romancing on the tent. The same way that Trixie did. Now the big question on why did Trixie left them and came back home was never answered. As far as I've understood, it wasn't. But Rory is so fucking sexy. Gimme that guy!!!!!!! Especially when he made his speech on Trixie's parents. Ggggawwwwddd!!!! Now finally, the twins are so so so so trouble. Hahahahha XD I think I've heard that Patience McKay and the twins are the true troublemakers and Trixie is just like the introduction. Wow! Well, Trixie is a virgin. I love the twins. And of course Patience. I love them all.
