**Tamed** Linnea May

**The more there is to overcome, the more I want her.**

Love is not for me, but if I marriage is what it takes to become my father's successor and save my family's fortune from ruin, so be it.

This is all for show. I just need to play it safe until the fake wedding fuss is over.

But then she shows up. The cute pianist, hired to play at my engagement party. Sweet Elodie. Shy, innocent and virtuoso - off limits and impossible for me to claim.

Elodie is a sweet risk and a challenge like no other. Her weak attempts at fending me off only fuel my greedy hunger.

She'll be mine. Even if that means putting everything I've worked for on the line.

## From Reader Review Tamed for online ebook

### **Zillah Raven says**

#### **Fantastic read**

This story is perfect. I absolutely loved every single minute. Kingston and Elodie are really enjoyable characters. Their journey is filled with plenty of interesting things. This is one adventure you don't want to miss. The writing and flow of this book is done above and beyond. I absolutely recommend this book.

---

### **DW says**

I received Tamed from the author for an honest review.

As stated in the blurb, Kingston is engaged when he meets Elodie. It is an engagement of convenience and to gain power of his families company. There is no love between the two in the least!

So now that's out of the way. I wasn't sure how I felt about Kingston at first. He was so arrogant and cocky with that rich playboy attitude. He was sexy and he absolutely knew it. Sometimes it can be a turnoff but Elodie made him work for what he wanted more than anything. Kingston wanted her so bad even though they were from different upbringings. Kingston was rich, sexy and could have any woman that he wanted.

Elodie was very poor. She was struggling to get through Julliard on her own. She had an extremely hard childhood without a mother and drunk father. I really liked Elodie. She was so genuine and shy.

There is really not much that I can say without giving it away so I will stop here.

There was a small amount of Dom/Sub going on but not too much.

The piano scene with the vibrator was hot. Who would have thought that playing the piano could be so sexy?

Overall, I really enjoyed it!

---

### **Irida says**

This is my second book by Linnea May and I really liked this story as much as I did with Master classes. Her writing is great, her characters are very well developed and the sex scenes in this book were scorching hot!!!

For sure gonna read more from her.

### **Kitten? On The Keys?**

Elodie??, a scholarship piano? student at Juilliard, is a virtuoso but so poor, she has to live in a house with eight other students and work part time at a cafe. Still, she lives for her music, practicing?, practicing?, practicing?.

One day she is asked to audition for a playing job? at a wealthy patrons home! It's the break she has been hoping for. The family is the Abrams, shipping magnates. Their older son, Kingston????? is having a formal engagement party to a Waldorf. It's strictly a business arrangement, they both dislike each other.

Kingston????? is tall, absolutely gorgeous and jacked?. He's a lady's man, a player, a playboy?????. His betrothed to be is the female version of him!

Into this dysfunctional mess comes Elodie??, she sees the nearly priceless concert grand ?piano in its own music room and is stunned. These people have so much and appreciate so little.

Kingston????? has wandering eyes and hands. He sees Elodie?? as yet another conquest. She tries to avoid him, but he is in hot pursuit. He's a Dominant man????? in every way! The situation he wants to put them in is so dangerous for both of their reputations. Yet the pull to each other is overwhelming.

YEHAW! Ride em Bareback?, Cowgirl!?????

## **Melissa Ledet says**

Sigh. That is what my heart did at the end of this beautifully written book. My heart was just bursting with happiness at the end. Elodie and Kingston's story is about finding that love does exist even though you think it doesn't. Every one wants to find the one that 'Tamed' their heart and soul.

Favorite Quote: Kingston to Elodie  
"You never tried to tame me,....And yet, you did"

I voluntarily reviewed an Advance Reader Copy of this book.

## **Theresa says**

Yuck!!! DNF @ 57%. This was a NA book. MCs were immature and quite shallow and the Hero was exceptionally egotistical and cavalier. Both MCs didn't respect boundaries and had very poor ethics. And I didn't buy the heroine's "poor pitiful me" act - she was just as selfish as the Hero. I would not expect these two to be monogamous for each other.

### **Lexee Toste says**

I really enjoyed this story! Elodie and Kingston were great characters. Elodie is on the shy side and Kingston is the alpha dominant male. Both are immediately drawn to the other and Kingston has no problem pursuing Elodie, even though he is engaged. It is not a love match on either side and so he feels no guilt. Elodie is a good girl and so has problems with the knowledge that Kingston is engaged. Kingston doesn't let that stop him and continues to pursue Elodie and lets her know that it's not a love match. I liked the way that things unfolded. I was drawn in to both characters and the story itself. The sex is explicit and is a little kinky. Nothing too major or really BDSM. The story flowed really well and I thought had great pacing. It kept me engaged the entire time and I wanted to know how things were going to work out between Elodie and Kingston.

I voluntarily reviewed an ARC of this book.

### **Courtney says**

Elodie and Kingston are from two very different backgrounds and meet when she is interviewed to be the pianist for his engagement party. Nothing should have ever happened between them, but the chemistry can't be denied. Kingston has a reputation as a playboy and his engagement is for show only with his fiancé wanting the smokescreen he provides for her family as much as he does for his. Elodie made it to Juilliard thanks to scholarships and covers the rest with her part-time job at a café the last thing she wants to do is jeopardize a paying gig like Kingston's party, but can't stay away from the bossy man. Kingston's three time rule with women is thrown out the window with Elodie, but she makes him work for every inch he gains and is the first to bow down to his demands to her time. What Elodie shows Kingston is there is more to life than the playboy ways, a fake relationship and that love does actually mean something. A great read from Linnea May. I voluntarily reviewed an Advanced Reader Copy of this book.

### **Anne Milne says**

3.5 Stars

We all love a bad boy don't we, we think we can change them but really until they meet the elusive 'one' that's not gonna happen.

Kingston is a playboy who has to get married to save his family company, does he love her? absolutely not it's actually debatable if he even likes her.

Elodie is the young musician hired to play at the wedding. What could go wrong. ?

This is a good quick read.

### **Sara MacRae Long says**

Brilliant. Emotionally explosive. Intoxicatingly beautiful. Heartwarming. Heartwrenching. Sweet. Strong. This story is all of these things...and so much more.

Elodie has worked herself to the bone to hone her musical talent, working multiple jobs and earning scholarships to attend Juilliard, and when she lands a potentially career-lifting gig to play piano at a wealthy family's engagement party, the reader is tasked with deciding what and how to feel: euphoria that she's getting her chance to showcase her talent among people who may be able to launch her career, or cringing at the demeaning class critiquing she's subjected to by the bride-to-be, Gloria, and Kingston's father.

Oh, and then there's Kingston... Are first impressions right? Is he the \*sshole billionaire and man-whore we initially think he is?

This story is well-written, flows seamlessly and steadily, and is masterfully crafted, delivering so much more than you expect ahead of time, and author Linnea May skillfully designs and nurtures the development of her characters throughout the story. And the twists and turns are magnificently orchestrated, not necessarily the ones you might expect, which makes *TAMED* even better.

So, back to Kingston. Simply put, the final impression is what truly matters in this fairytale romance, and the epilogue will leave you weak in the knees, breathless and in tears.

### **Alex ? says**

[DNF coz pathetic...

H was engaged, and even if it was an arranged \*eye roll\* marriage, it called cheating that he slept with OW, the h among them. His fiancée was also not faithful, but it shouldn't have encourage the h to sleep with the soon-to-be-married man. Besides she was payed to play piano at his wedding, but work ethic unfortunately doesn't apply to the romance world...

Typical manwhore, abhorrent comments about OW and partly about the h.

Despite his lust for the h, he slept wit

---

### **Susan says**

There were three things I loved about this book before I even started reading it. The first is the cover. It is so sexy and really grabbed my attention. Second is the title. *Tamed*. So it sounds like someone is in need of being tamed, which gives me the thought of wildness. Then, I loved their names: Kingston and Elodie. They are unusual. After beginning to read the book, I was hooked. I loved the story. It is steamy hot, while at the same time being sweet. The music also really added something to the story. I voluntarily reviewed this advanced copy, and I highly recommend it.

---

### **Shari Kay says**

[ H cheats on fiancé (not h, but with h among others). Also sleeps with OW after knowing h, h is still going to play the piano at his wedding? WTF? (hide spoiler)]

---

### **Lieve says**

Well , I am delightfully surprised by "Tamed" . This is the first book that I read by Ms May . I loved it and was totally entranced by Elodie and Kingston's story .

Elodie puts everything she has into her future as a pianist , wants to leave her sad past behind but then she meets Kingston . A sexy flirtatious player who doesn 't take no for an answer . He takes what he wants ..and he wants Elodie , even he has agreed into a lovelesss marriage with another woman . Kingston comes into Elodie's life like a whirlwind and shakes her control totally . Their sexual tention is so off the charts from the first moment they meet .

It's just one of those stories you just don 't want to put down because there 's never a dull moment in the whole storyline and you're hooked from the first chapter. When you're finished , you are a little sad to see it end so soon : it's a perfect recipe for a great steamy forbidden romance that's surly is worth the read .

Great job Ms. May , this incredible sexy romance took me by surprise and I 'm looking for more from you . Voluntarily reviewd an advanced reader copy of this story .
