Leah Unger says

Sometimes we are swayed by those we know the least about.

"Men of the Bible devotional" is a book of short stories of men who have helped shape the Christian community in some way.

I loved the sub-title of the book: "Insights from Warriors, Wimps, and Wise Guys." Isn't that who we are today? We all fit into one of these categories. The characters within the pages of this book are real and they can be an inspiration in our lives.

I chose to read a page a day to reflect on each character and how I could apply his story to my life. These men can lead us through the difficult times in our lives.

If you are looking for biblical "boy" baby names and their meaning, you can find them throughout the pages of this book, from Adam to Zophai.

This is an easy book to read!
