This 2-color, 36-page book guides you through the traditional Passover seder dinner, step-by-step. Not only does this observance remind us of our rescue from Egyptian bondage, but, we remember Messiah's last supper, a Passover seder. The theme of redemption is seen throughout the evening. What's so unique about our Haggadah is the focus on Yeshua (Jesus) the Messiah and his teaching, especially on his last night in the upper room. Now, we've included words and sheet music of the songs mentioned in the book and sung on Passover. Singing them will enrich your experience. Also, we've used the popular Complete Jewish Bible for translations where Scripture is quoted.

Mary Chambers says

I enjoyed the Messianic Passover at my local Bible Study group in Ephrata, WA. This was my first time to experience the Passover in this traditional way. It was very memorable.
