The Seinfeld Scripts: The First and Second Seasons Jerry Seinfeld , Larry David

Jerry. George. Elaine. Kramer. We've followed their misadventures for nearly ten years on Thursday nights. Here, finally, are the scripts of the first two seasons that will take you back to the beginning of *Seinfeld*.

Featuring the first 17 episodes ever aired, *The Seinfeld Scripts* contains all the great lines that have kept us laughing for years: the pilot episode, "The Seinfeld Chronicles," where it all began; George introduces his importer/exporter alter ego Art Vanderlay in "The Stakeout"; Kramer becomes obsessed with cantaloupe in "The Ex-Girlfriend"; Jerry and George meet Elaine's dad in "The Jacket"; is Jerry responsible for a poor Polish woman's death when he makes "The Pony Remark"?; Jerry and Elaine decide to become intimate again in "The Deal"; what will George do when he is banned from the executive bathroom in "The Revenge"?; and Jerry, George, and Elaine wait for a table in "The Chinese Restaurant."

It's all here: the award-winning writing of *Seinfeld*, "the defining sitcom of our age". Created by Larry David and Jerry Seinfeld.

Elaine: My roommate has Lyme disease.

Jerry: Lyme disease? I thought she had Epstein-Barr syndrome?

Elaine: She has this in addition to Epstein-Barr. It's like Epstein-Barr with a twist of Lyme disease.

George: She calls me up at my office she says, "We have to talk."

Jerry: The four worst words in the English language.

Kramer: What a body. Yeeaaah...that's for me.

Jerry: Yeah and you're just what she's looking for, too--a stranger, leering through a pair of binoculars ten floors up.

Kim says

A great way to study script writing by reading the scripts of a successful comedy seemingly about nothing. May want to compare the style differences with the Frasier Scripts.

Luís Castilho says

This is a dream book for everyone that (like me) is a total Jerry Seinfeld and Larry David aficionado. It has the scripts for all the episodes of season 1 and 2 of the hit tv-show from the 90's Seinfeld. The writting is so incredible that I found myself still laughing out loud even though I already know these lines by heart. What a treat. Just really wished there were more volumes with the other seasons. What a shame.

David Ward says

The Seinfeld Scripts: The First and Second Seasons by Jerry Seinfeld (Harper Perennial 1998)(791.4572) is just what it says: a reprinting of the scripts from the first two years of the tv show "Seinfeld". The pundits say that the show was finding its way the first couple of seasons. Maybe that's the reason, but I fail to find much if any humor at all in reading these scripts. I enjoyed the tv series, but reading these off the printed page left me flat. My rating: 4/10, finished 4/20/12.

Jono says

Pure genius from start to finish. Great toilet reading and laugh out loud funny. Love it, use the jokes in Seinfeld every day!

Vanessa Ryan says

Got a good few laughs!!

Mr. Steve says

Reading the scripts is just about as funny as watching the show!! I wish they made more of these for the other seven seasons.

Jason M. says

Not the best of this show, but still.

Mimi says

I got this book for my father because even though he can recite ALL of the shows by heart it makes him sooo happy to read the words and talk about how FUNNY and universal the humor is. That's right. You learned that Shakespeare had universality in English class, but really you should have been studying Sir Jerold Seinfeld. Maybe he WILL be the Shakespeare of the future...?

Matt Moran says

There is nothing here except the scripts. No introduction, no afterword, no commentary whatsoever. Brilliant and hilarious.

good show.

David Belisle says

Funny stuff ... about nothing. But you knew that. Aspiring comedy writers can't go wrong here.

Alanseinfeld says

5 stars if you're a fan (3/4 if not?) - the writing and humour is superb, a good companion to the series

Olivia says

Brilliant.

Rob says

I couldn't pass up the opportunity to grab this honking paperback from the local thrift shop, and then hurry home and read it (at least some of it). I read some silently, and then I turned on some old episodes and watched them while reading the scripts. Doing that made me appreciate the comic delivery of the actors/directors. Larry David is one of my favorite people and reading this further convinced me of his subtle genius. There's a reason this is one of the best television programs of all time.
