komiknya bagusss bgt, tp sayang gak bisa dibaca

### **Dyah says**

Pretty similar review to When Love is Hiding... both main characters are still ridiculously naive.

There's an extra story about Ritsuka's older sister, Aya.

I like her superficially, and I thought that maybe she's better than her younger sister, but I was wrong... Her characteristic is also ridiculous.

### **Senny says**

I liked the story, because they're a faithful couple. Although there is told that Ritsuka is a girl who strongly believed with myth, but instead told a concerned-not stuck on the myths associated with Ritsuka

### **Fanny Roswita Ria says**

mulai seru karena Ritsuka dan Kuze saling sayang tapi cara menampilkan berbeda,,si Kuze tidak ekspresif dan Ritsuka yang ekspresif :-()
