For the Love of Tia S.E. Smith

Tia is the Keeper of the Stories for the inhabitants of Glitter in the Kingdom in the Caverns. She dreams of a life she knows will never come true for her; life outside of the caverns for her people and a mate for herself. Hope for her people blossoms when an unknown creature is captured at the entrance to their kingdom even as her dream of a mate becomes even more impossible.

Many generations ago, her world was invaded by giant alien beings who took the precious animals that gave life to their world. Now harsh sand covers it, leaving it barren on top. Tia recognizes the captured female as the golden haired goddess the legends spoke of that would renew their world once again.

Jett is the youngest royal son of the King from the Kingdom of the Sands. His thirst for adventure leads him to an unknown cavern where an unusual Kingdom exists. He is captivated by the slender, delicate female he discovers. Unable to resist, he returns again and again until he knows he must steal her away.

Unbeknownst to Jett, Tia is dying. When he steals her away from her world he expects to claim her as his bride. Now, he must make the ultimate sacrifice if she is to survive. He knows one thing for certain; he would do anything for the love of Tia.

Can two hearts beat as one? Or will one life have to be sacrificed to save another...

Gizzie says

This is like a children's fairy tale. A sweet, nice read.

Ashley says

This short was ok. It doesn't add anything to the overall plot but its a nice expansion on the creatures introduced in Ambushing Arial.

Gregory Willingham says

Sweet

Just a sweet little novella to further the stories in the series. Now I have to find the story of Tamblin. If you haven't read this author, you won't be disappointed when you decide to try her books. Valdier dragons series is amazing

Sharon says

Sweet and very short, short story as a sideline to the Dragon Lords of Valdier series.

Haikufall says

A wonderful story and I hope in the future we have a full length book of this world.

Pam Parker says

It was a sweet short story. That shows you the meaning of unconditional love.

Tika says

Beautiful short story

Jannah says

This one is really a novella but is a sideline story of something that happens when one of the women gets captured by a bad character and her meeting with another species on a distant moon. It contains important information to fully understand the consequent books.

Malinda says

4.5-5 stars

This was a great little story. Tia and Jett are wonderful together and their story is interesting and very touching (I shed a few tears). I'd definitely recommend this and I think that people that haven't read the series could read it with little to no confusion.

Vivien Tsang says

Good book but short & not enough of their reaction to Ariel's gift to them.

Heather says

Cute lil mini story focusing on Tia and her mate after he steals her away.

Lizzy says

Sweet, cute novella but low anticipation or build up in S.E. Smith's For the Love of Tia story line. It was well written as all of this author's books are. This was a fast read and pleasurable enough, but I enjoyed far better the rest of the very entertaining Dragon Lords of Valdier series.
