The Beauty and the CEO Carolyn Hector

Undeniable chemistry

Makeup artist Zoe Baldwin can't believe the gorgeous guy she flirted with on the way to a job interview was her potential boss. So when Will Ravens, CEO of his family's cosmetics company, tells Zoe her innovative approach isn't right for his brand, she agrees to work alongside him at a beauty pageant to prove her skills. But where there are sparks, there's certain attraction...

Will is fighting to keep his family legacy afloat. He's going back to basics at Ravens Cosmetics, leaving no time for romance or Zoe's avant-garde ideas. But despite his intentions, he finds himself falling deeper under Zoe's sensual spell. Amid the chaos caused by company sabotage, can both their career dreams and passionate fantasies come true?

Great book.

It was love at first sight between Zoe and Will.

Celeste says

Zoe and Will passion meets purpose

Family ties and commitment to legacy is what I found most endearing. Will and Zoe may have come together due to business but as the storyline evolved you appreciate what they meant to one another's purpose and passion.

You'll come to see the importance of hard work and determination on the part of Zoe; as well as, the dedication on the part of Will. Laugh, smile and rejoice with Zoe and Will on their road to happily ever after.

Matysha says

I loved this story. It's definitely a great addition to the Once upon a tiara series. I recommend not only this book but the entire series to someone looking to try a new author.

Toni says

A page turner. Zoe and Will have sparks between them that are hard to ignore. Enjoyable read.
