## **The Tycoon's Temporary Bride** Ana E. Ross

New York Times Bestselling Author, Ana E Ross, presents The Tycoon's Temporary Bride – Book Four of the Billionaire Brides of Granite Falls series:

Since he was left standing at the altar, Adam Andreas has been a bit bride-shy. This handsome, sexy CEO is quite content with his temporary relationships, until the day he literally bumps into Tashi Holland. One look into Tashi's frightened, emerald eyes and Adam finds himself falling into his old habit of rescuing damsels-in-distress—something he's sworn never to do again, since the moment he begins to rescue a damsel-in-distress is the moment he begins falling for her.

Tashi Holland is running from a man whose identity she doesn't know, and looking for one who's just as mysterious. Following the instructions of the FBI agent who rescued her from a New York City human-trafficking kingpin, Tashi arrives in Granite Falls, New Hampshire—the safe haven the agent has sent her to. But without the identity of the man who's to protect her, Tashi feels lost, scared, and vulnerable. She has no idea whom to trust, so when she bumps into a man in a café, and finds herself locked in his arms, she panics and runs.

A near-death experience brings them together again, and slowly, but surely, Tashi begins to trust Adam, and eventually tells him about New York City and the FBI agent who died rescuing her. Will Tashi's fear that Adam might suffer the same fate as the FBI agent keep her from accepting his offer of protection by becoming his temporary bride?

#### **The Power of Love**

Bryce was my favorite Billionaire until I read Adam's story. What a wonderful and generous man. Tashi could not have met and married a better man. He definitely got it from his father.

#### **One of Ana's best installments of the Billionaire Brides of Granite Falls yet!**

I loved this story of Adam and Tashi! Most don't believe in love at first sight, but Ana has proven that there is such a thing. The love Adam has for Tashi from the beginning proves there is such a thing! This is a great read but I recommend you read the first three books in the series in order to understand all of the characters.

#### **LOVED IT**

I have enjoyed this entire series. Love the author. Wonderful love story about Tashi and Adam. Tashi is running for her life the only thing the FBI agent told her was to run to Granite Falls and find "A" and he would protect her. I enjoyed all of Adam's friends and their wives. The secondary characters were great hopefully we can return to Granite Falls.

Great story and I love Adam Andreas!!!!

Adam didn't want anything to do with getting married, since being stood up at the altar and then another

serious relationship didn't work out, he was very satisfied with being a bachelor. But he also knew that was not the Andreas way because heirs have to be produced to continue the family businesses. Adam has a penchant for saving damsels in distress, so when he literally runs into one and sees how skittish and frightened he is, he tries to ignore his nature for saving but fortunately for him, it couldn't be ignored.

Tashi Holland is on the run and has been in Granite Falls for a year and a half now, trying to desperately stay off of the radar by using cash and a burner phone. The reason why she is there because the FBI agent told her to go there and ask for a man whose name starts with the letter A but before he could give the entire name, the rescue mission went haywire and a violent shootout ensues and she is told to flee and not look back. So here she is and now after running into a man, she practically bolts for her life but then he shows himself to be very nice. Tashi is so tired of running and hiding but she doesn't trust anyone, not even him.

After a call came into Adam one night in the early hours, he receives a message from Tashi given to one of his employees. After receiving the address, Adam rushes to her in the middle of the night and finds her almost lifeless with sickness. Adam takes Tashi to his home, calls one of his best friend's Dr. Erik LaCrosse (The Doctor's Secret Bride - Book One (Billionaire Brides of Granite Falls 1), to help with her. After nursing Tashi back to health, Adam decides to help her from whomever she is hiding from and will kill anyone who wishes to do her harm but Tashi knows these people are evil but she doesn't realize just how ruthless the Andreases are.

This is Adam and Tashi's story of discovering that love is the most powerful thing ever created. Tashi learns to trust Adam and Adam learns that his heart if he is willing to give it, will be protected, nourished and thoroughly loved. There story was so great and I thoroughly enjoyed reading it. I also enjoyed the Yoga that was written about and also the Kama Sutra and its sayings. Again great story and I haven't read Massimo Andretti's story (Adam's cousin), so I have to get his book to read also.

Well Until My Next Review...Ciao Bellas!

Another satisfying, sizzling, and memorable book in the series

This #1 bestselling series will stay with me decades into the future. In book four, The Tycoon's Temporary Bride, Adam Andreas, the last of the billionaire bachelors runs into a beautiful, frightened and paranoid Tashi Holland at a Café he frequents. He's immediately attracted to her and she feels the heat too. But she wants no part of Adam. She trusts no one. She's all alone, and on the run from some monstrous criminals. Who is Tashi, who is she running from and why? Who is the mysterious Federal agent who sent her to Granite Falls, NH to find the one man he believes can protect her?

Ross keeps us on the edge of our seats with a well-crafted mystery but don't let the suspense fool you. She does what she does best, taking the romance to another level with this couple. The love scenes are a slow,

sensual burn (I'll never look at cooking or Yoga the same way again), original and creative. In Adam Andreas, we see an alpha male who is kind, generous, patient, and very aware of his place in the universe. But Adam wouldn't be an alpha male if he possess mind-blowing sex appeal and a ruthless edge wielded with devastating impact when necessary. Another addictive read from this author. Please ma'am, may I have some more?

#### **The Tycoons Temporary Bride - Book Four**

Great series. I would recommend this book and the entire series. Easy to read and keeps you interested. Not easy to put down.

Great book!! Adam is my favorite character. And I'm thinking that I have to learn Italian!! It was a wonderful book, that it showed me to appreciate yoga in another level. Bravo Ana E. Ross!!

### **VaLinda Miller says**

I read the other three Granite Falls guys and is still impressed with the third one, "The Playboy's Fugitive Bride." I still love me some "Massimo", whew!!! That man!!!.

Adam is the last one in this group who is not married; he tried, but got dumped at the altar. His father and mother want him to hurry up and get married for an heir. You know it's the usual back and forth between parents. He understands, but after being hurt, he just plays the field and keep's the heart locked.

Tashi is running away from a very bad situation. Don't' think it's not realist what she is running from, unfortunately, this is too realistic even in this day and age. Tashi's is scared out of her wits and runs to Adam, by accident, for help. Why she even thinks he is the one she is to contact after she relocates from the bad situation. He is nervous and very cautious to help, but so is she in accepting. He does feel a need to "save" her from whatever is hunting her down. They go back and forth, not in the sizzling romance hot way, but slowly learn to trust each other. He has always been very spiritual and sensual in his practice of yoga, which helps him teach her how to find that same sense of self, happiness within one shelf, passion and love. The plot of why she is running and the connection Adam has to it was, I think the best part of the book. Yes, the romance was great, but that plot with all of the twist and turns and it involves the other "Granite Falls Billionaires," was exceptional. I hope she continues with this series. Ms. Ross could write a mystery with romance all in one and keep the focus going on and on. Beautiful story.

Finally, we got Adam's story! I loved how he loved Tashi and would do everything in his power to protect her. It was nice catching up with the previous couples and their families.

Hoping there will be books for Robert and Yasmine..... Galen and Mindy. I won't mind reading about their HEA.

**Nancy L Thompson says****Finally!!!**

I'm must say that this book was worth the wait. It was very intriguing. At points I couldn't put it down. There was only 1part that I thought was a little too long and a little boring but that is just my own personal opinion. (some of the yoga stuff) . But I'm not letting it take away from my rating. Keep up the good work. I'm still a fan!!!

**Lorice DeBlanc-Brim says****Looking forward to more**

What about Galen and Mindy, their relationship had just started? Awww, I have to know. So loved Tashi and Adam story.

Don't even hesitate. Buy the Tycoon's Temporary Bride, start reading and enjoy the ride. Adam Andreas is a sensually sexy man that believes in true love but has been hurt in the past. He tends to try to rescue the damsel in distress. I'd be his damsel everyday! One day he literally runs into Tashi and her eyes capture his heart. Unknowingly, she has been sent to find him because she needs protection. Problem is, she doesn't know he's the man with the name that starts with an "A". She couldn't hear the entire name she was given. Fate continues to place Tashi on the path toward Adam. Once finished with this book, I recommend reading the previous three books. You will fall in love with these deeply bonded friends and their soul mates as they journey toward happily ever after. Then wait for the next ride because it's bound to be amazing. Absolutely love this author!!

**Shaquaila says****Worth the wait!**

Miss Ana did her thang, this book was so worth the wait. I love how Adam and Tashi came to be, their love rushed over you. You knew what would happen next, or you sure hoped for it to come together. She did a amazing job yet again, I wish there was more to come in this series. But since their not, it ended very well.

note to Miss Ana, you did a great job with this series. I can't wait to see what you come up with next. Thanks for some amazing reading.
