ASMODEUS: Demon of Lust Part 2 Sara Humphreys

PART 2 of a hot, new, serialized novel by author Sara Humphreys.

When Kai Kelly inherits her estranged grandfather's estate in Bliss, Idaho, life becomes anything but blissful. The discovery of a beautiful, but unusual, ring in the attic leads to much more than she bargained for. Kai may not realize what she has in her possession, but the boys in Hell sure got the message. Lucifer and the six other princes of Hell existed for several millenniums believing that the Ring of Solomon, an object with the power to control demons, had been destroyed. However, the moment Kai slips the ring on her finger, the tremor of its power ripples through the underworld. Knowing the ring's existence could mean the destruction of all demons, Lucifer sends his six princes to earth in search of the ring and its bearer. There's one catch; a demon can't take the ring from its owner. It must be given willingly or they have to be dead.

This series is AWESOME! Asmodeus, Demon of Lust Part 2, continues the story of Kai, a fae wearing the ring that controls all demons, and Asmodeus, who has found Kai in Bliss, Idaho while on his mission to retrieve the ring. One small caveat: the ring must be given willingly and cannot be forcibly taken.

Asmodeus has hit a snag... he cares for Kai and is protecting her from the other demons who are also desperately searching for the ring. Will he choose Kai or his demonic cohorts? A showdown! OMG! I need the next installment in this series...

In part 2 of Asmodeus: Demon of Lust, we get a little bit more steam but a lot more answers as to what is going on and let me tell you, I am officially HOOKED! I can't wait for part 3 and September has never seemed so far away! It does leave you hanging, but maybe because I know the next part will be out in a few short months, it doesn't leave me frustrated like most cliffhangers do. I can't wait to see what Sara has in store for us next!

Kai & Asmodeus are fleeing for their lives after finding out that Ben the real estate agent that was helping her with her grandfathers house is a Fae & wants the ring. Unfortunately he's also willing to kill to get it. Asmodeus decides to take Kai to Isadora who's a powerful witch & a previous lover. He's hoping that Isadora can help to get the ring off Kai's finger as it will not come off now. Isadora decides to take them to the witches council to see if they can help. There the sparks really start to fly as Asmodeus has already had a run in with the council & Lucifer was in an on again-off again relationship with one of the head council witches (Willow) & it was currently off. They decide to see Kai & awaken her dormant powers. Fantastic world building & great character building makes for a fantastic read. Well Done Sara really looking forward to the next part.

My favorite Demon, in book 2 I'm afraid, is about to get his rear kicked by my new favorite Fae, Kai! *for not letting go of that 'I have to protect her mode* I have a feeling as soon as he lets the mind go and have some fun, he'll become hers, hook line and sinker!

The introduction of the new characters is brilliant and as we get more information as to what's goin on, not only between Kai and Asmodeus but also the Demon/Fae/Custodians of the Light, I'm getting more and

more antsy for the next installment coming in September.

rubs hands together I'm ready for the showdown w/ Ben!!

This story is on the edge of your seat awesome!

Asmodeus Demon of Lust Part 2 continues to ramp up the pace, so don't make the mistake of thinking you can stop before you reach the end, it's just not possible.

The first instalment introduced our unsuspecting mortal woman to Demons, Fae and a sacred ring, but Kai now knows that Witches exist too and that she isn't the mundane, ordinary human she originally thought. While Kai is trying to come to grips with the paranormal world and lusting after her beloved demon, Asmodeus is struggling with the reality that the Brotherhood comes before all else and his desire for this precious female can never be indulged.

He will protect her with his last breath; but does he have the strength to ignore the instinct roaring through his non-existent soul to possess her at all costs.

September can't come fast enough, I seriously need part three!!!!

I ordered Asmodeus - Part 2 on my Kindle. The formatting was pretty bad. I'm not certain what happened in the author's upload to Kindle, but my download from Kindle caused issues with the character dialogue merging into one paragraph and several sentences separated into paragraphs midsentence. With 3 characters engaging in discussions and thoughts, it caused a little confusion. I also noticed that the dialogue seemed a little stilted. And then, we get to the hot core of the tale! Remember the snowmobile scene in "Undone?" Demons, fairies, and witches - oh my! Sara likes her "machinery and equipment" love scenes...waiting to see if there are further intimate encounters involving motorcycle rides...

Captivating world of Faeand Demons

I just finished reading Asmodeus, Demon of Lust, part two of the Princes of Hell! I find all of Sara Humphreys's books captivating because she is a great storyteller! I don't often read stories of fae and demon, but this one has got me hooked to her series. It's the story of Asmodeus, who was ordered by Lucifer, to go on earth and find a special ring that belongs to Kai, a beautiful woman and a Fae. Asmodeus is the sexy Demon of Lust. But, when he meets her, he did not plan to have feelings for her, so he decides to protect her instead from the demons of the Underworld. They share a brief moment of lust and all hell broke loose! What will he choose? Will he obey Lucifer or protect the woman he has strong feelings for. If you love stories of fae, witch and demon, then this book is perfect for you. I highly recommend this book because Ms. Humphreys wrote a captivating and fantastic romance of a sexy demon that kept my interest until the end. I looking forward to read her third book to be released next September.

Wow! The second part of this series was just amazing. The whole time I was reading I was on the edge of my seat waiting for what came next. Love the chemistry between Kai and Asmodeus. Absolutely can't wait for the next part! If you are looking for a great read with lots of sizzle than Sara Humphrey's books deliver.

Love this wonderful and captivating storyline. The chemistry between Asmodeus and Kai in Sara Humphreys' Asmodeus: Demon of Lust Part 2, is astounding and as Kia learns more about what she is and the meaning of the Ring of Solomon, Asmodeus realizes his mission involving Kia has changed and now he will have to make a huge decision, just as some of the other members of the Brotherhood before him have been forced to make. Oh boy, now the tormenting wait for Part 3 – is it September yet?

Part Two of Sara Humphreys' new serial novel.

Steamy and hot, we find ourselves rooting for this unlikely pair. Asmodeus Demon of Lust must help Kai Kelly figure out who and what she is and protect her from His Brotherhood as well as anyone else who wants what she has. This story has excitement, mystery and discovery. I loved it! Highly recommend this! Sara Humphreys leaves us wanting more. At least we don't have long to wait.

Episode Three is coming in September 2013.

Asmodeus: Demon of Lust Part 2 by Sara Humphreys

Demons of Hell, Fae, a ring and Witches too! Seems like around every corner something new pops out and up. ;-)

Kia has her hands full trying to figure out just who she is. Asmodeus isn't making it any easier. Seems like at least one person in a relationship is always trying to fight what should be.

Definitely ready for part 3.

Asmodeus: Demon of Lust Part 2

These instalments just aren't enough, I need more! Things are definitely starting to hot up, and I really want to see where things are going to lead with Asmodeus and Kai. Despite knowing what Asmodeus is, Kai feels safer around him and the sparks are starting to fly, making it an adventurous, sexy, fun read.

Margaret Sholders says

I love the characters and plot of this series. Kai and Asmodeus were left trying to figure out Kai's family ring. They were running to a friend of Asmodeus. They know who Kai is but that is about all. Isadora said she would help them. They met other folks who are sending them on a mission. I hope this encourages you to keep reading this series. I can't wait for more sex scenes and to find out where this series goes next.

Autum says

Just finished Asmodeus Demon of Lust Part 2 and it was great. I am loving the world of the Fae, Demon, and now witches. In part 2 we are following Asmodeus and Kai as they flee for their lives. Ben was not just a normal guy, he is after the ring Kai slipped on too. Difference is he will kill to get it. Asmodeus just wants to get it back not kill Kai. In the process Kai is attracted to our Demon Prince. He takes her to a very powerful witch, who is a former lover of his. Isadora and she is actually the ONLY witch he trusts. Isadora takes them to the witches council as she is not entirely sure how to help. What a kink to the story as one of the witches is also a lover of good ole Lucifer. Wondering how that plays out, but of course I knew Sara would throw some new stuff out there. That is what makes this book/episode so great. Kai has feelings for Asmodeus as well as he has them for her. Kai acts on those feelings but our Demon man acts like it is nothing. I think he is lying, he says that he is the Demon of Lust so that was nothing he hadn't done many times. Yeah he was being jerk kinda, but he is worried he is taking Kai's light so I forgive him. Needless to say Kai learns she is human, witch, and Fae. Man what a way to start a day huh? On top of that it seems that she is also the Custodian of the Light, and now she needs to find her grandmother's book of spells. Oh and the only way to get the ring off is the kill her. What will Asmodeus do? He does not want to kill her, he cares too much. Will he protect Kai and help her. Maybe seek out more old friends to help or even his son. You gotta read Episode 3, which means I have marked my calendar and will be counting down the days.
