From Reader Review Deities and Demigods: Cyclopedia of Gods and Heroes from Myth and Legend for online ebook

Austin Belanger says

Classic 1st edition book. A must for any old-school AD&D player!

Michael says

As a mythologist, this book was wonderful. I could read and reread it over and over to learn about the various myths of the world.

Ogreart says

This is the original one with mythologies from several fantasy series that they had to remove from later editions due to copyright violations.
