## Electric Daisy, Vol. 1 Kyousuke Motomi

"Apapun yang terjadi, aku akan selalu melindungimu."

Itu bunyi email yang dikirimkan sosok misterius bernama Daisy untuk Teru. Setelah kematian kakaknya, hanya email dari Daisy-lah yang menjadi pelipur hati Teru. Karena suatu kejadian, ia terpaksa harus bekerja dengan Kurosaki, pengurus sekolah yang agak preman. Siapa sih sebenarnya Kurosaki ini ?!

# From Reader Review Electric Daisy, Vol. 1 for online ebook

## Phire says

Awwww, Dengeki Daisy... it warms my heart just to think about this manga. I'm quite serious!

I love Daisy's character and his not-so hidden identity, it is so obvious from the very beginning who is actually is. Then again, Mangaka, Kyouzuke Motomi never really wanted to hide his identity from us xD

---

## Booknut says

When I clicked the 'I'm finished' button, I saw it as an emotional state - this book finished me off, made me laugh, tear up, squeal and sigh over a cast of wonderful characters and of course, the enigma himself, 'Daisy'.

A few of my favourite bits:

A must read!

---

## Amber Hetchler (???????) says

Aaaah! This was so good! I'm officially hooked.

---

## Sesana says

Surprisingly not terrible. I was surprised that the identity of Daisy was revealed so early (to the reader, but not to Teru). I expected that to be a mystery that dragged on, even while Daisy's identity became increasingly obvious. Instead, it looks like a lot of the plots will come from Daisy trying to hide his identity in a much more natural way. I'm also pleased that it seems like the romance will be able to develop over time. And I

like how Teru views Daisy: he's her friend, not because of anything he could do for her (which is why she tries not to ask much of him), and their connection as friends is more important than a romance. It's refreshing, to see a teenage girl put a supportive friendship as a top priority in her life.

---

## **Theresa ? says**

### **Review of November 2, 2014, on volume 1**

It's been 3 years, Theresa of 2011, who was very obsessed with Dengeki Daisy.  
And my beautiful, fabulous public library now brings me the fabulousness that resides in Dengeki Daisy. So now I have access to actual book version, not just mangafox.

And I will just say . . . that this manga is not bad. But what I used to think was just a guardian watching over his friend's little sister in secret is so much more than that. This guy is a hacker. He looks good to the main character but is a bad guy when other people look at him.  
THIS IS SO MUCH MORE.

To add to the interestingness, we know who Daisy is, but Teru doesn't. This is that kind of book where we know more than the main character and the entire time, we're like, "YOU DORK, THE ANSWER IS RIGHT IN FRONT OF YOUR NOSE!" when the answers are right in front of our noses.

There are a few weird things about Dengeki Daisy that I'll put forward (and that will also make 2011 Theresa mad because she was indeed obsessed with this manga).

Isn't . . . Isn't Kurosaki . . . . . (\*whispers) An adult?  
Isn't he . . . a BAD INFLUENCE (CIGARETTES ARE BAD FOR YOU!)  
Isn't . . . he--  
Okay, I can't do this. I really like Kurosaki.  
I can't just slander him because of societies views on things. I THINK KUROSAKI IS A GREAT CHARACTER. And how he's so protective of Teru is . . . it's very romantic.  
Just ignore the fact of the gigantic age gap between the two. Age shouldn't matter anyway.  
But yes. I'm dying for the two to kiss ENGAGE IN A ROMANTIC MAKEOUT SESSION.

Readers are obsessed with this book because of the romantic romance. And that scary cliffhanger at the end.  
Fear not, Theresa, I have volume 2 on hand!

### **Review of October 25, 2011, on the entire series as a whole. (4 stars)**

I was just chilling on Mangafox responding to my mangafox friends' messages on my page, and I asked almost every single one of them "What manga do you recommend? I'm looking for some new reads."  
Their lists went on and on, but one particular title that kept appearing on my friends' lists was "Dengeki Daisy".

So a few days ago while procrastinating on my school work, I looked this title up. I bookmarked it and promised myself "ONE chapter only. Then I have to go study."

My mind changed after I read the first chapter.

I kept going through chapters without leaving my seat--at least until I was finished with volume one. And so now, I bring you to my review of what I thought about Dengeki Daisy.

IT WAS.....ASFISDFLJAHSFJD (<--so amazing that real english words cannot describe).  
My rating is 4.5120496.

I LOVE this series. I LOVE IT.

This series is about a 16-year-old girl named Teru who has a cell phone given to her by her older brother before he passed away. Her older brother tells Teru that when he's no longer around to protect her, she can use the cell phone to email DAISY--someone that will take his place in protecting and watching over her. Teru does not know DAISY's identity. She does not know what he looks like or how old he is. But she cherishes him and his emails.

One day, while protecting her best friend from getting bullied, she accidentally breaks a window. She can't afford to pay for the damage, so the janitor, Tasuku Kurosaki, makes Teru his slave in order to pay him back for the broken window.

While she deals with Kurosaki even more often this way, she learns that DAISY is actually a lot closer than she thinks.

The plot of this manga is scary the way it's really similar to the situation of my own best friend. (She emails this guy and she doesn't know what he looks like, but they're currently in love with each other. How often do you have a best friend with a situation like that?)

The situations have a lot of differences, but I have to say that THIS MANGA IS DEFINITELY ORIGINAL. It doesn't use cliches like vampires.

PLUS, it's funny! I love anything that's capable of making me laugh!

And I love the art. I love having crushes on cartoon characters (in this case...I am a Kurosaki fangirl).

The reason why it didn't get a perfect five stars was because of a few peculiar flaws in the plot. At a few times, it did seem to drag on just a little--but it was still pretty akdfjalisnfgllama (<--so awesome that real english words cannot describe).

Dengeki Daisy is beautiful, adorable, hilarious, suspenseful, and it makes me procrastinate on my homework. I call this story a "blind love" story because even though Teru doesn't know the identity of DAISY, she loves him even more than how someone would love a lover.

I really wish I could understand what it's like to love someone like that. This way, you only love them for their personality and not their looks.

Somehow, I think that if you fall in love with their personality before you see the way they look, I don't think you would care for their looks when you do find out about them.

Anyway, I recommend this to those in search for an ORIGINAL shoujo manga story!!

P.S. I think manga plots are better than most american novel plots. Novels seem to be way melodramatic. The romance in certain manga seem realistic.

---

## Shambhawi P. says

Cute. Funny. Totally swoonworthy guy.

Need any more reasons?

---

## Kristin says

Let me start out by saying that I have never been able to read manga before. I am more of an anime girl. For some reason I always had a problem getting into the whole manga/comic reading. However, I instantly fell in love with this story and had no problems staying on track.

Teru is a girl who has had a very tough life. With both of her parents and her brother dead, she has no one to look out for her... except DAISY. Before he died, Teru's brother gave her a cellphone with DAISY's number in it and told Teru that DAISY would always be there for her. DAISY has become Teru's life support but she has never met the person behind the name.

Kurosaki works at Teru's school as the janitor. He sees how Teru is looked down upon and treated since she is poor. He is also there for support when she needs him because he is DAISY. However, there are reasons why he refuses to tell Teru his true identity. So instead, he keeps an eye on her by hiring her to be his "slave" and do his custodial work for him after he finds her throwing a ball through the school window.

I thought this manga was really light, romantic and funny. Kurosaki is at odds with himself. He cares for Teru but he hides his feelings behind sarcasm. The story covered quite a bit of ground and leaves you wanting more. The little side story at the end didn't help much either.

---

## Summer says

**5 Stars, Completed\* June 26, 2017**

\*Review based on the entire series (Volumes 1-16)

**Man, this one was *too* good.**

Typically, I'm not someone that starts reading a manga series unless I've seen (and enjoyed) the anime or live action adaptation(s), but I decided to take a plunge and give *Dengeki Daisy* a go at whim since it seems to be so popular among shoujo junkies. And now, I understand why this gem is considered a shoujo classic. **It has all the right elements to make a reader swoon** without including the usual, ridiculous clichés found in most other romance manga such as milquetoast heroines, love polygons, and cheesy marriage endings. The characters are so memorably charming. The storyline is refreshingly unique and suspenseful. And **the comedy was so consistently fab. I was belly laughing and giggling so much while flipping through each**

**volume.**

Anyway, **I was thoroughly impressed with this series.** I would say that *Dengeki Daisy* offers great entertainment to those that are a fan of shoujo manga/anime or seek a guilty pleasure read. (Although, there's no reason for one to feel guilty while reading it. It deserves all the praise!)

(Side note: Also, if you didn't already guess, after I completed reading this series online I made an order on Amazon to buy myself the collection. Yup, Summer is collecting yet another graphic novel series. Don't judge.)

Full review to come very soon!

### **Miss Ryoko says**

Lord!! It's been a long time since I've read the first volume of a manga and fell in love with it immediately. I'm going to adore this series! I can just tell!

And.... no surprise here, Kurosaki is a total hottie! LOL - he's great! I love him! He's going to be my fave, I can guarantee!

Teru and a adorable picture of Kurosaki

Kurosaki!

Mmmmmmmmmmmmmmmmm so much sex!

---

### **Zain Otoom says**

**4.5**

Okay so this was like, so adorable? And sweet? And hilarious? How did I not enjoy it back when I first read it years ago??

Oh yeah I was a 12 year old with no taste.

---

### **Bü?ra Öztürk says**

O kadar uzun manga listesi olu?tu ki elimde bir yerden ba?lay?p eritmek istiyordum art?k. Dengeki Daisy'ye de bu gazla ba?lad?m. A??r? ho?uma gitti ama. Sevimli (kawaii :D), tam istedi?im tarzda bir hikayesi var. Yava? yava? okuyaca??m bakal?m. Umar?m yar?m b?rakmam :)

## **Brittain \*The Baddest Female\* says**

Full review at some point in the future but this has to be one of my favorite mangas to date. Beyond cute. Awesome. Adorable.

---

## **Noran Miss Pumkin says**

Starbubbles has invited you to the event: Book of the Month! December: Electric Daisy.

Date: December 25, 2011 10:14PM

Location: The United States

Description:

Continuing with the mysterious caller theme, we are reading Electric Daisy this month! Pick up this series for a different take on taking a call from a stranger.

4 stars for plot line alone-a breath of fresh air in the manga titles! thanks Star bubbles for this title! 5th star for the art, especially when the characters are drawn funny fun-fun.

Teru is the girl-her brother dies-leaving her a cellphone. He says that a person will look after her, after he is gone, via the phone. "Daisy" is the person's name. as well as Teru's favorite flower. She is alone, poor and bullied at school, though she has a posse of other poor students that back her up. She texts Daisy about her day-lying about how bad things are for her. Daisy, though knows the truth-is Daisy spying on her? How far will Daisy go to take care of her? I hope the plotline keeps getting good-a unique twist on the boy/girl story!

---

## **Anyia says**

It's cute, and funny and so sweet but I am not feeling it, I guess? :c I might come back to it later.

---

## **Sylwia (Wish Fulfillment) says**

That was so good that I feel like I need a cigarette even though I don't smoke. Better review to come.
