This was a very Valentiney book.

I think because the detective name was Miss M and Minnie starts with M ... I think it was Minnie.

### **Rosa Cline says**

Although this was a Mickey and Minnie book, I didn't really enjoy it very much. It was even mediocre for my 3 year old granddaughter and she LOVES Minnie and Mickey! The book is like the television show Mickey Mouse Clubhouse...except it was very 'choppy' and to interactive to be a storybook. So not really the show but not really a storybook either so it missed things. It did have Mickey and Minnie and Mickey wanting to do something special for Minnie for Valentines Day.

### **Amanda says**

Totally inane, but to any kid who's seen Mickey's Playhouse, I guess it's fun. I like that it had knitting in it, but otherwise, not for me. My 4 yr old son loved it, though, so not a total loss.

### **Katie says**

Cute and daughter loves it. Keeps her interest and she talks through the whole book.
