## Princess Princess Plus Mikiyo Tsuda

Ex-princess Matsuoka and Izumi have been chosen from all of their classmates to dance as princesses. However, due to differences in values, conflict rises between the pair! Now that the ex-princesses are being pulled back into the mix, can they dismiss their conflicts and allow a new chapter to begin?

## **From Reader Review Princess Princess Plus for online ebook**

**Aymee says**

By far the best of the series because here the author focused more on the relationship between the two new princesses and less on their duties, costumes, etc. I'm really sad that it's the last of the series however. But - on the bright side - now I can go watch the anime. LOL
