Scent of a Scandal

Annie Nicholas

Scent of a Scandal Annie Nicholas

Awe and Isnay have been secretly flirting, but they can't be together because their wolf packs have been rivals for ages. Neither of their alphas will bless the union.

Is desire to follow pack law stronger than their desire for each other?

A Chronicles of Eorthe short story

Debra Johnson says

Scent of a Scandal (Chronicles of Eorthe, #3) by Annie Nicholas

Adult Sci-fi Fantasy Paranormal Romance Short Story

3 TSR*

For some odd reason Amazon has this listed as Teen/Young Adult. It is NOT a young adult story. It can easily be listed as New Adult, but definitely NOT young adult! Now that this is cleared up.....

I liked it, but there was a lot of room for improvement. There are a few typo's and editing errors. Also, while Awe and Isnay are cute and sweet, there just isn't enough to really relate to either of them. I would have preferred a bit more detail into their personalities. I have read all the books in this series so far and intend to continue reading them as Ms. Nicholas writes them. The 1st 2 books got 5 & 4 stars, respectively. This one is a solid 3 stars. It's a good addition to the series, but not Ms. Nicholas' best.

GONZA says

Short little story, just to keep in touch with the Eorthe world, that I like.

Gena says

Arrgg, really really short short story :) We are told Awe and Isnay have history and then we read about a day's worth of interactions. I'm not sure why the author wrote this to be honest, I don't remember either of these characters from the first two books and we don't learn anything knew about the world Annie has created.

Sandra says

quiero leer más libros de esta serie!!! muy buenos!!

Romance Novel Giveaways Lauren Seiberling says

A great addition to this series!

I have read the first book in this series, and I think Scent of a Scandal is a great addition!

I liked Awe and his dedication and commitment to Isnay. Even though they are forbidden to see each other, he feels that she is the only female who can tame his aggressive nature and pursues her.

Isnay has a strong sense of loyalty to her pack and family and is conflicted about Awe. I liked her

indecisiveness because it made her more believable.

This book came with a bonus story at the end, kind of a background-story to Awe and Isnay. I recommend reading that before reading the main story itself.

I can't wait to read more books in this series!!!
