This was a good read that I wanted more out of. Rebecca is a beautiful ATF agent, sent undercover to bring down an outlaw biker gang. Unfortunately for her, Gavin makes it almost impossible to think about anything but his dreamy body. Gavin is the president of the Sinister Sons Syndicate he is a hot sexy alpha male and his club is involved in all kinds of crime human trafficking and drugs. The one thing that I didn't like was that he didn't protect her more. Rebecca did her job and ended up with some very real feelings for Gavin. This was a good read. This was my first time reading this author this book was well written with no errors in grammar or spelling. This book left off on a cliffhanger and I can't wait to read the next book in this series.

Putting Rebecca, who is an FBI Agent under cover in a bike club to get close to Gavin, the very HOT president of said club sounded good, I mean, what could possibly go wrong? In fact, they seemed to hit it off O.k....Maybe more than O.k, a lot more...they are drawn onto a whirlwind of physical attraction for each other that won't be denied. Things go crazy bad after Gavin outs his second, who wants payback and goes after his brother and Rebecca who is caught off guard and hurt during which time Gavin hears her I.D. herself before she goes down for the count and is rushed to the hospital. Gavin tells her that they will sort it out later.....So, way to leave us HANGING THERE Dawn! Can't wait to see what happens in the next installment.

This story moves quickly, but doesn't lack excitement or steamy romance. I absolutely recommend this to adults who enjoy a fast but great read.

Anna Salamatin says

This continues where Deceptive Desires left off. After Becca spends some time recuperating with Gabe she finds herself being put back in the field. It's the same kind of assignment but not deep cover this time. She just needs to get some bugs in place inside an MC clubhouse. Mia is put out there with her and she meets up with her contact, one of the ol ladies who is willing to get Becca inside.

Unbeknownst to Becca, Gavin has his own agenda for this MC. They are involved with human trafficking, but also with distribution of a drug with deadly side effects. And the president threatened Gavin with Becca's life. Gavin has Blade build and plant bombs in their clubhouse and that's just where Becca is heading.

Things happen so fast at this point and we are left with a cliffhanger asking the questions.....Is Gabe going to live the rest of his life knowing that he killed the love of his life? Did Blade and Becca survive the blast? Are they alive or dead under the rubble?

December 1st can't get here fast enough for the next installment, Deceptive Danger!!!

Deceptive Desires was the first book by Dawn White that I read. I didn't know what to expect from it, since

it was so different from my favorite fantasy genre and contemporary romances. But I wasn't disappointed. The book was a quick and easy read, with the elements of humor, sassy scenes and the dialogs that will make you swoon. The characters and events were well described, and I really enjoyed this book. The only minus is the length of the story. But I hope the next book of the series will give us more time in company of Rebecca and Gavin.

Title: Deceptive Beauty

Book #: 1

Author: Dawn White

My Review: When I first picked up this book, I wasn't entirely sure I would like it. I had never read a book with bikers in it, as I've never been a big fan of them. However, this book sucked me in and gave me a book hangover like you wouldn't believe! I read it in about two-three days which is pretty fast for me. I absolutely LOVE the character Rebecca, who is a strong heroine, and her biker boy toy, Gavin. In Deceptive Beauty, Rebecca is an agent who goes undercover as an "Ol' Lady." She is to bring down Gavin's bar who is suspected in taking part in human trafficking.

If you're looking for a fast and entertaining read, I would highly recommend this book. Who I wouldn't recommend this book for, is anyone under the age of 18 for some graphic and sexual scenes (which I found to be hot, hot, and HOT!). So come on, what have you got to lose?

Note: I was given a copy of this book in exchange for an honest review.

A great book that kept you on the edge of your seat the whole time. Rebecca is an ATF agent sent in on an undercover assignment. She not only gets her mark -Gavin- to fall for her, which is her assignment, but also falls hard for him. They quickly form a bond that can also tear their lives apart. Since he's the president of the motorcycle club she's trying to take down, things can get a bit touch and go. Throughout the story we learn more about Gavin and his involvement, or lack thereof, in illegal dealings. The ending was a bit of a shocker, as I expected more. But, it just got me ready for the second book. The chemistry between the characters is instant. A bit too fast in some instances, but it works. A must read if you are into fast moving, dynamic stories with a hint of romance.

Wow this book is amazing. Rebecca is an undercover agent and Gavin is the leader of Sinister Sons Syndicate Motorcycle Club. There chemistry is off the charts and the storyline is intriguing and full of suspense. I could not put this down it was a great story.

I honestly have never read a novel from this genre before, nor have I read any of Dawn White's work before. But I will definitely be adding more of it to my personal library!

I wish there was not substance too the relationship but readers didn't he that since the book was so fast paced. I also did not like the repetitive terms of endearment an log all th Tim because readers don't understand the intimate part of the relationship only physical. but I loved how Rebecca is strong and can Stand up on her own unlike a lot of books, however the male protagonist also needs to show his strengths along with her

This was a good fast read. Enjoyed the story line and where it is going. The characters are great and very passionate about each other. Look forward to the next book, I am sure there are many more stories about the other characters to come.

great read!!! I read this book in two days because I couldn't put it down. the relationship between the main characters is loving, scary and extremely dangerous. my only complaint is dawn left me wanting more and I want to know what hAppens.....but that is not a bad thing lol. I would recommend this to anyone who loves a romance story with a twist.

Ashley says

Fast paced, fast love, fast ending!!! That cover is bad ass i might say!! I loved this book in the fact that there was no mistaking Rebecca wanted Gavin from the beginning and vice versa, there was no faking and shaking and i loved that!! Now i will say, i wished Gavin would have protected her better being the prez you don't want your woman in any danger and she got pretty banged up. The ending i didn't like so much because i felt that could of all been avoided with better communication!!! I hope to see more one on one in book two between Becca and Gavin, i felt that was missing but i really liked the bones in this book and i'm looking forward for the next book!! 4 stars

Kathy Harrington says

This was a cute but short story. You could feel the chemistry of the characters but the story was rushed and only so so and the one sex scene wasn't bad.
