**Nodame Cantabile, Vol. 2** Tomoko Ninomiya  
THE COMPETITION HEATS UP

There's a new kid in town, and Nodame had better be on guard. Her new rival plays timpani like a dream—and has the hots for Nodame's crush, Shinichi Chiaki. Plus, a wretched old man has his eyes (and hands) on Nodame. It's a lot to handle, for a girl who has trouble just keeping her room clean. . . .

Shinichi has his own problems. A famous conductor starts a new orchestra at school, and Shinichi finally gets his chance to conduct. But he soon discovers there's more to the craft than just following notes on a page. Could this hard lesson unexpectedly turn his life around and change his destiny? Take a look into Nodame's world and find out!

## **Reem says**

Volume 2. Chapter 7-12

---

## **Satoshi says**

Further secondary characters, Masumi and Stresemann appeared, and Chiaki finally got opportunity to conduct a orchestra. I enjoyed reading it.

---

## **Carleen Hyatte says**

Finally getting back into this series after finishing maid sama.

---

## **Paola says**

I love the kotatsu part! in the drama as well it's really funny.

---

## **Soledad P says**

El capítulo del kotatsu es el mejor!

---

## **Yue says**

The weird sensei has finally appeared. When I watched the dorama I found him annoying and creepy. Now, in the manga, I find him not only that, but also very pervert.

The addition of this drama queen Masumi is great, he is very funny, he considers Nodame his rival in love because he has a crush on Chiaki. The chapter where they were competing to have a date with him! Or when he was scratching the tree with jealousy!

Note aside: I really want to experience the joy of eating with a kotatsu someday.

---

## **Annchan Maulana says**

i watch, dorama version :

Nodame - Noda Megumi is a girl who like playing piano since she is a little girl, but weirdy she can't read a music score ?? She play it with Cantabile Style - when she hear another people playing piano, she can remembered it and played it. She is a little like stupid girl who cannot cook and really lazy to clean her appartement where she live.

One day when she meet with Chiaki-sama - the son of a famous pianist who have a dream becoming a famous conductor. But too bad his fear of flying make his dream must wait. she teaches Chiaki something that he has forgotten for a long time that is to enjoy the music we play / hear no matter when and where.

Originaly review by AnnChan ^^

### **Julie says**

Slice of life musical manga. D lent it to me after we watched the TV series. So far I have to say I enjoy the TV series more, but the manga can be funny as well.

---

### **Kelly says**

Cute manga. Nodame, Chiaki, Ryutaro, and Masumi return in the second volume of the series. Chiaki gets a chance to conduct a real student orchestra.

Though Nodame is touted as the heroine, the story is told from Chiaki's point of view.

I read the ?????? (bilingual) version, which has the English version of the comic strips and the Japanese text in tiny print off to the side of the comic strip boxes. A quick and enjoyable read.

---

### **quinnster says**

The competition for Shinichi's affections between Nodame & Masumi was kind of funny, but I still find Shinichi to be mostly a jerk.

---

### **Emily says**

Amazing amazing amazing, you flip though the pages pretty quickly, its funny, and everything. Its a real manga, by Tomoko Ninomiya not those cheesy unrealistic American mangas (not that theres anything wrong with them). But being both Japanese but born in America, I think that Japanese mangas are so much better.

---

### **Sophie says**

I really enjoyed this volume - particularly the part when Nodame 'moves in' with her Kotatsu! Very funny!  
Looking forward to reading volume 3 :)

---

### **Wanda Kamarga says**

dead funny!!! dead funny!!!

---

### **Muhammad Rajab says**

lawak sekali komik ini, dan saya boleh bilang para tokohnya sangat real dan komikal.

:D

love it so!

pengin nonton versi dorama sama filmnya nih ;))
