Taming Her Billionaire (Knights of Los Angeles) Yahrah St. John

The fine art of seduction

Maximus Knight just had a rude awakening. It's bad enough he has to compete for control of Knight Shipping with the half brother he never knew he had. Now his father's will has just given gorgeous gallery owner Tahlia Armstrong a tie-breaking stake in the company. Seducing her into turning over her shares—and controlling interest—to him backfires when a sizzling kiss ignites emotions too powerful to ignore.

Max is Tahlia's secret weakness. For years, she has desired the man no woman can resist. But the charismatic entrepreneur is used to getting what he wants, and Tahlia has been scorched by love before. When a shocking power play threatens their passionate bond, Tahlia has to decide whether she can trust Max with her heart—and a love too precious to lose.

Tear jerker

A 5 just doesn't do this book justice. This book had me from the beginning to the end. I was even dangerously trying to read it at red lights and stop signs. I loved everything about this story I just hated that there's not another brother or sister lurking around so we can read more.

Excellent read

Excellent read, I enjoyed the characters and storyline. Maximus and Tahlia's chemistry made them a great match. I recommend this book.

Max & Tahlia

After reading the previous installments in this series, this conclusion is wonderful. The cliffhanger at the end of the first book is fully fleshed out in this one. Great read.
