**Bianca Isabel says**

It was a good read!

**Alexandra says**

This was a sweet read. Mickie was one determined little girl. To get her foster mum together with Derek. Sending texts to get them together. Engineering meetings between Rachel and Derek. It wasn't easy with Rachel still mourning the loss of her husband.

---

**Zoe says**

What could have been a decent internal conflict driven romance wrecked by a child who never acted her age and was suspiciously well adjusted despite her stories of abuse of the hands of her previous caretakers.
