Maria Tag says

Maria's Note: Hi! I'm Maria, and I'm adding a new feature to my review- Maria's note. In a Maria's note, I share news, special thoughts, etc. Sorta like a blog, except since I'm not a author, I can't have a blog on Goodreads. Here's our Maria's note for this time: It's been awhile since I have done a review! Why? Because I have been working on a long, long book- Mandie Collection 10! Did I like it? Let's see.....

Review:

I have been a longtime reader of Mandie. I was about 7, 8 when I started reading her! I really liked her then, but now since I'm almost 12, I was wondering if I would like her the same or what. So, I gave it a whirl.

Plot: This is actually 3 books jammed into one. Book One- Mandie and The New York Secret. Mandie gets a message from her friend Jonathan that he's discovered a secret. She can't wait to find out what it is! Surely there's a clue somewhere..... Book Two- Mandie and The Night Thief. Mandie's precious locket gets stolen! Plus, Tommy's sister Josephine is up to something suspicious. Can Mandie solve the mystery in time? Book Three- Mandie and The Hidden Past. There's a crack in the secret tunnel below Mandie's house. She is determined to figure out if there is a mystery behind it!

Positive Content: This had good Christian morals and fairly good mystery. Again, I loved it as a little girl.

Negative content: I just couldn't get into it this time. It wasn't fast moving, exciting enough. Mandie seemed to be making a big deal out of nothing. I mean, a crack in a wall isn't really a mystery. I have seen many a crack in a wall before, and not thought "ooh, there's a crack! I'm sure it's some huge mystery!" Mandie seemed to have a perfect life- tons of friends, family, rich living conditions, vacations almost every month, and coffee and cake 3 times a day or whenever they wanted. The mysteries were too unrealistic. I have been around 11 years and never run into a mystery in my life, and Mandie gets to solve good ones every week. It's just unrealistic. mysteries are actually very uncommon.

Conclusion: I wish i could get into these again, but alas.....
